ParentVUE: Reporting Absences

NOTES FROM ATTENDANCE
We want to partner with you to ensure that your child attends school regularly
and receives the full benefit of their education.
Student attendance is taken every period of the school day. To excuse your student, please submit it through ParentVUE or call our attendance line at 970-
419-3401. It is really important that you give a reason for the absences. Please
refer to our TMHS Handbook under attendance for what constitutes an excused
absence and the details pertaining to our attendance policies. You have 5 school
days to excuse your student.

Clarification of procedures for Middle School and High School students:
Middle School - parents can excuse their student for pickup by calling the attendance line, submitting through ParentVUE, or by
coming into the building. If a parent submits the request early in the school day, we can get a pass delivered to the student for
them to show their teacher when the appropriate time to leave is. Please be aware that we need to verify who is allowed to pick
up your student, and middle school students must be checked out by a parent/guardian. They may not leave campus until they are
checked out by the main office.
High School - Our high school students have an open campus and thus do not need to have a parent/guardian come into the
building to check them out. If you have made arrangements with your student to leave for an appointment, illness, or activity,
please have them communicate with their teacher. It is school policy that students are not allowed to excuse themselves, so we
ask that parents/guardians call our attendance line to excuse them for the classes they are missing with the reason

TIMNATH MIDDLE-HIGH SCHOOL STAFF CELEBRATION BREAKFAST 2026

The TMHS Staff will be enjoying a celebration breakfast as part of our last staff meeting of the semester. It is the perfect time for reflecting on the growth and success of all that has been accomplished at TMHS this first semester.

Click here to help us celebrate our amazing staff by signing up to contribute to a special breakfast to show our appreciation for all they do!

CAPS 4 CASH

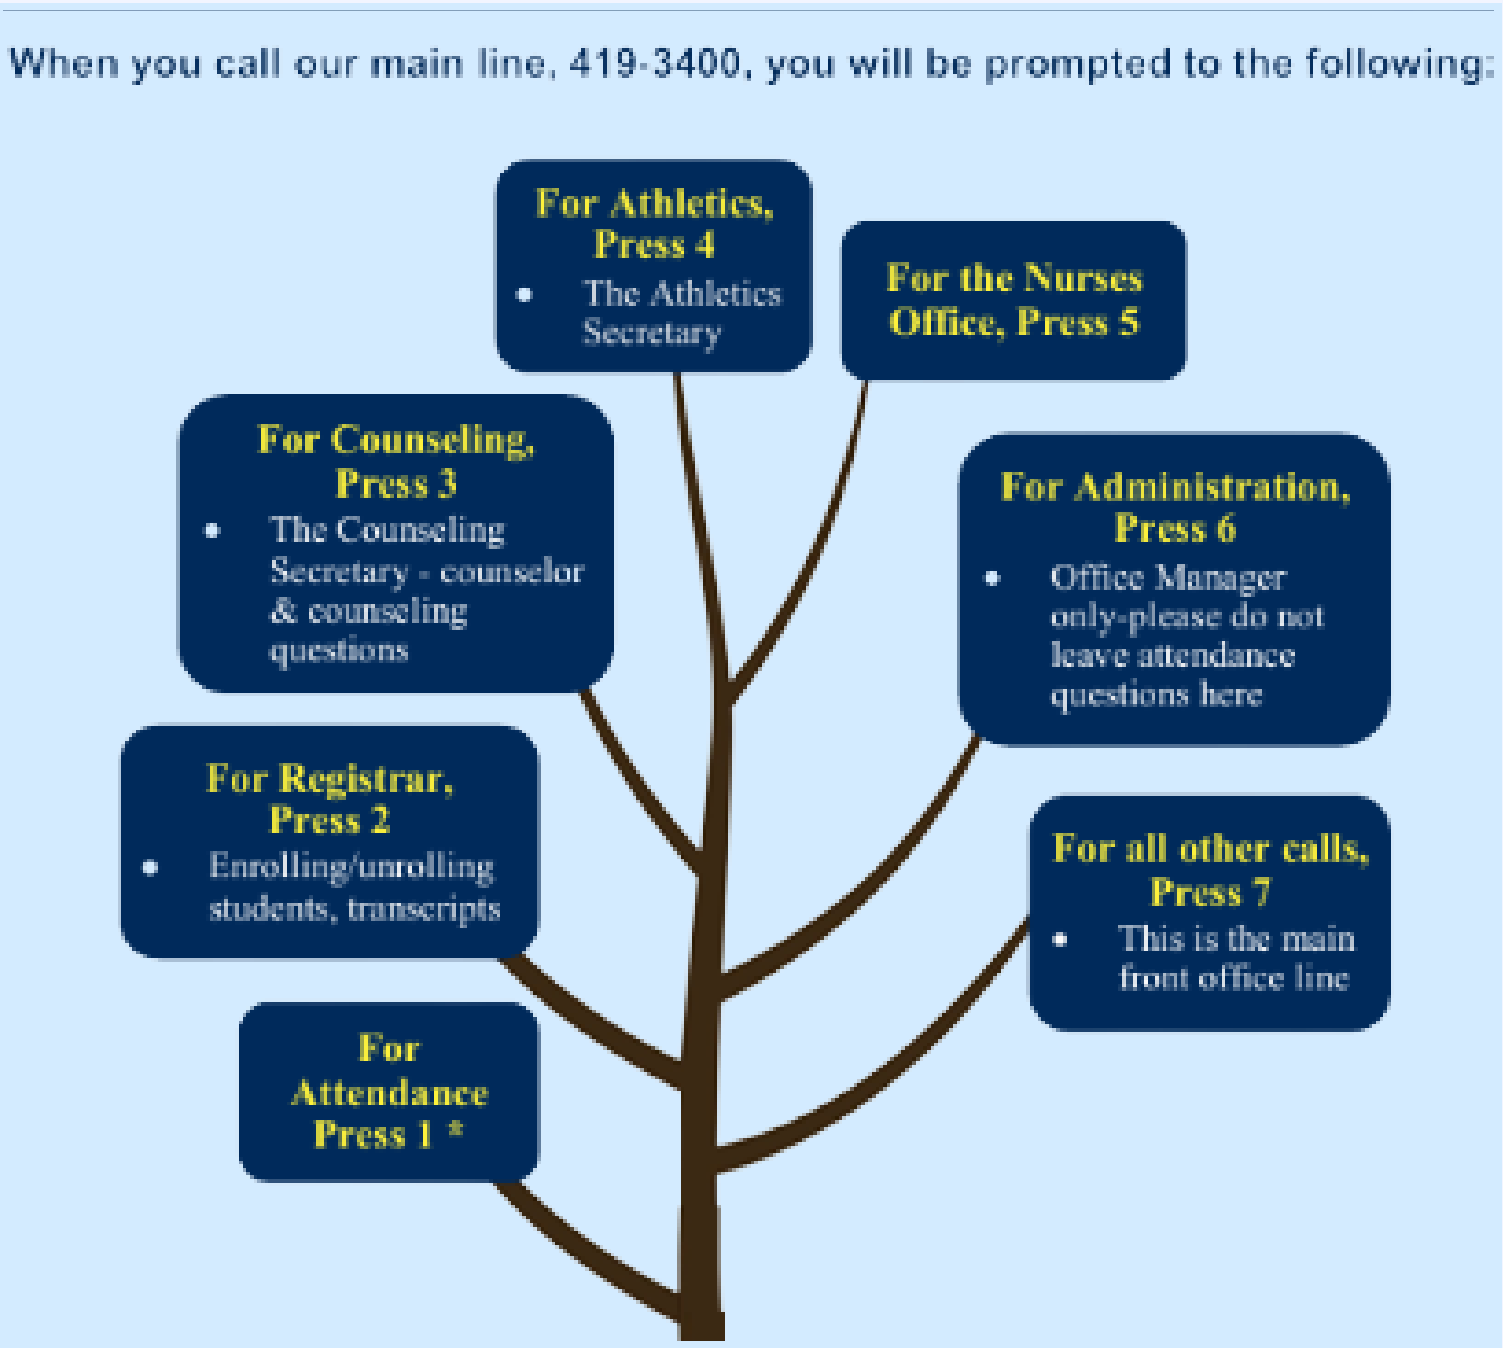

Sign up for home delivery and Morning Fresh Dairy will give your school $25. Already a customer? Tell your friends and neighbors! For every new home delivery customer who refers your school, Morning Fresh Dairy will donate $25. The funds don't stop there! Save the caps from our glass bottles and turn them in to your school. Morning Fresh will then give your school $0.05 for every MFD glass milk bottle cap redeemed.

How do you help your school earn money?

1. Sign up for home delivery on our website or call us at 970-482-5789
2. Drink your milk
3. Save your bottle caps
4. Collect caps from family and friends
5. Bring the caps to school and drop them in the collection box

Attendance:

Due to the growing number of students and increased phone calls, we have implemented a phone "tree" system to better serve our TMHS community.

The Attendance line is for reporting an absence: illness, appointments or early dismissals. This can also be done in ParentVue.

We would prefer you to call the attendance line in the morning to request an early dismissal for your student. Early release passes are distributed during the first period of the day. If your student needs to be checked out last-minute (no later than 3:45), please press 7, which is the Main Office line.

For last-minute dismissals throughout the day, please be sure to check your students' schedule as it is difficult to find students when they are on their lunch break

Timnath High School Esports

Our Timnath High School Esports program is growing, and we're excited to continue providing students with a competitive, team-driven environment where they can build skills in communication, strategy, and leadership. If you're interested in supporting our team, donations are greatly appreciated! Contributions help us cover equipment upgrades, game licenses, team apparel, and technology that keeps our players practicing and competing at a high level.

Scan the QR Code to donate **(Select HS E-Sports in the additional information requested drop down):**

Thank you for helping us strengthen opportunities for our esports athletes and ensuring the program continues to thrive!

Curious about our team? Check out our website (click here)! You can also find our THS Esports page on our school website, under Activities.

INFORMATION TECHNOLOGY:

- **IMPORTANT TECHNOLOGY REMINDER!** Windows Updates are every 2nd Tuesday of the month (aka Patch Tuesday). Please remind your student to install these updates at home to limit any disruptions during school. For more information, please go to the PSD Community Tech Portal (techportal.psdschools.org).

- **We need your help!** Please remind your student to bring their assigned laptop and charger with them to school, everyday!

- If your student is missing any technology, please encourage them to come to the tech helpdesk window during school hours. Reminder, lost fees are in the TMHS Student Handbook under the Information Technology section (TMHS Student Handbook). We APPRECIATE your help!

SUPPORT TMHS LIGHT OF THE MOON THEATER THROUGH KING SOOPERS COMMUNITY REWARDS!

EARN MONEY FOR TMHS LIGHT OF THE MOON THEATER - AT NO EXTRA COST TO YOU!

1 LOG INTO YOUR KING SOOPERS ACCOUNT

Log into your existing account at
www.kingsoopers.com/account/communityrewards
(or create a new account)

2 LINK YOUR SOOPERCARD TO YOUR ACCOUNT

Under "Profile" (left side), add your current SooperCard number and/or an AltID (any easy-to-remember 10 digit number – like your phone number)

3 SEARCH FOR STAGE BOOSTERS

Under "Community Rewards" (left side), search for "STAGE Boosters" and select "Enroll"

4 SHOP AND SUPPORT!

Swipe your SooperCard (or enter your AltID) every time you check out at King Soopers. STAGE Boosters will earn money to support TMHS Light of the Moon Theater from each transaction.

HEALTH OFFICE UPDATES:

It is that time of the year already! We have seen several sick students and staff in the Health Office. To prevent widespread illnesses in the school, we recommend that your child stay home from school if experiencing flu or cold symptoms. To decide whether or not to send your child to school, please consider the following guidelines:

Consider keeping your child at home for an extra day of rest and observation if he or she has any of the following symptoms:

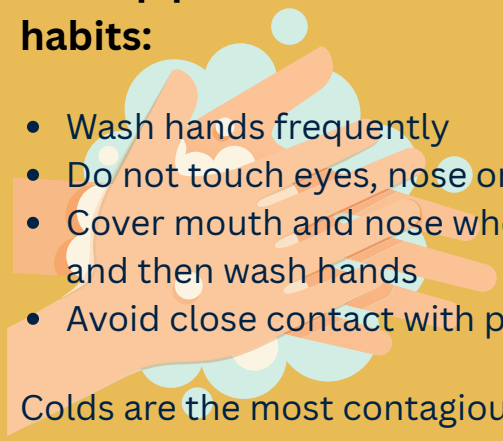

- Very stuffy or runny nose and/or cough
- Mild sore throat (no fever, no known exposure to strep)
- Headache
- Stomach ache

Definitely keep your child at home for treatment and observation if he or she has any of these symptoms:

- Fever (greater than 100 degrees and your child may return to school only after his or her temperature has been consistently below 100 degrees, for a minimum of 24 hours)
- Vomiting (even once)
- Diarrhea
- Chills
- General malaise or feelings of fatigue, discomfort, weakness or muscle aches
- Frequent congested (wet) or croupy cough

To help prevent the flu and other colds, teach your children good hygiene habits:

- Wash hands frequently
- Do not touch eyes, nose or mouth
- Cover mouth and nose when sneezing or coughing, use a paper tissue, throw it away and then wash hands
- Avoid close contact with people who are sick.

Colds are the most contagious during the first 48 hours. A child who has a fever should remain at home until "fever free" for a minimum of 24 hours. Often when a child awakens with vague complaints (the way colds and flu begin) it is wise to observe your child at home for an hour or two before deciding whether or not to bring to school. Your child should be physically able to participate in all school activities on return to school. Keeping a sick child at home will minimize the spread of infections and viruses in the classroom.
Please also take the time to click on the link below for illness guides for parents from the Colorado Department of Public Health & Environment (CDPHE). How Sick is too Sick
Thank you in advance for helping make this year at school as healthy as possible. Go Cubs!

FALL PSAT/NMSQT INFORMATION

The PSAT/NMSQT provides students with valuable practice for the SAT while also measuring college and career readiness. Students in grade 11 are eligible to qualify for the National Merit Scholarship Program based on their results. While grade 10 students may also take the test for practice, they are not eligible for the scholarship program. Please note: This exam is in addition to the SAT and PSAT 10 given in the spring—not a replacement. This is not a required exam. Please click here for additional details about the exam, payment and registration information.

AP TESTING INFORMATION FOR FALL COURSES

Students currently enrolled in a fall AP course will have the opportunity to take the corresponding AP Exam in the spring. The cost of each exam is $100, and students may choose which exams they would like to take. We encourage families to review the important fall AP deadlines together, as these ensure students are registered properly and on time. Our staff will also be visiting AP classes to provide reminders and support so that all students are aware of requirements. Please note: If a student is enrolled in an AP course that begins in spring 2027, they will receive exam registration details and deadlines at that time. Please click here for additional details about AP deadlines, exam information, and payment instructions
