## Counseling Center Updates - April, continued...

### Junior Meetings

Timnath 11th graders have completed their individual Junior Meetings with their counselor. All resources and information are available on [our website](#) and were emailed to junior parents and students. This is an exciting time as our first graduating class prepares for their future! Counselors are here to help – don't hesitate to reach out with any questions!

### Incoming 6th & 9th Grade Visit Days

We are looking forward to welcoming our incoming cubs for our upcoming visit days! We will be hosting 5th graders from Timnath Elementary, Bethke Elementary, and Bamford Elementary on May 10th from 9:30 to 11:00 AM. Look for information from 5th grade teachers and counselors.

We will host incoming 9th graders on May 1st from 9:30 to 11:00 AM. Current PSD 8th graders not attending Timnath Middle School should check with their school's counselors to determine if buses will be provided or if they will need their own transportation to and from TMHS.

### Summer Opportunities

#### Summer School

Summer school registration is open – if students are looking to recover credits or have included summer courses as part of their graduation plan, be sure to connect with your counselor! Families can access summer school information [here](#).

#### Summer Jobs

Many businesses and organizations in Northern Colorado are looking for Timnath students this summer! Whether you are looking for a summer job or internship or just to job shadow for a day, these are great opportunities to dive deeper into an area of interest and gain valuable experience. Visit Xello by logging in with your PSD credentials via Clever or by [clicking this link](#) and select "Opportunities" on the right hand side. You'll find everything from Certified Nursing Assistant (CNA) training to Conservation and Trail Building to Escape Room Game Master positions and everything in between. Check it out!

#### GirlsGetMath@CSU (No Cost!)

Registration is now open for GirlsGetMath@CSU, a free weeklong, non-residential summer math camp in the Department of Mathematics at CSU! The camp will run June 10-14, 2024, Monday-Thursday 9:00-3:30 and Friday 9:00-5:00. Students of all gender identities will explore a variety of topics in mathematics (such as cryptography, data science, image processing, fractals, and graph theory) in a collaborative and inclusive learning environment where they engage with hands-on activities and computer labs. During the camp, students will also take a campus tour, eat lunch in dining halls, and hear from successful women in STEM careers. There is no cost to attend the summer camp, and we will provide all materials, daily snacks, lunch, and a camp t-shirt. Interested students may apply [here](#) by Friday, April 26. Feel free to reach out to [jamie.juul@colostate.edu](mailto:jamie.juul@colostate.edu) or [liz.arnold@colostate.edu](mailto:liz.arnold@colostate.edu) with any questions.

## Year-round Staff Appreciation

Teachers and school staff are often overburdened with the demands of lesson planning and grading, leaving them with little time to unwind. A comfortable and relaxing space to decompress and recharge is often a much-needed respite. Unfortunately, it falls on them to finance the lounge area with snacks and drinks.

We have created a sign-up genius for these items to last our staff until the end of the year. <https://www.signupgenius.com/go/5080B44A5AE2CAAFF2-47559407-year>

Arriving at School:

The front doors will open at 8:30 am each day.  
If there is an event before this time, the responsible employee will come open the doors.

Entering the Building:

All students dropped off by the bus will enter through the North Door.  
If you provide your own transportation, please enter through the Main Entrance (South Door).

Lockers:

Lockers will be used per student request. Students should be courteous of other students who need access to their locker. Students should not congregate in groups while in hallways, locker bays, the media center, or common areas throughout the building in a way that blocks the travel of others.

Hall Passes:

All students will remain in their classes for the entire period and are allowed to leave when they are escorted by staff or provided a designated hall pass that must be worn at all times until they return to their classroom. Students leaving for restroom needs will be given five minutes, be required to obtain a hall pass from their teacher, and will be expected to use the restroom located closest to their classroom. Students with additional needs should talk with their counselor or teacher directly.

Health Office Protocols:

If a student begins to feel sick while at school, they should tell their teacher. The teacher will call the health office and alert the staff that the student is on their way down. The student will be required to wear a hall pass and check in with the health tech.

# TMHS Student Handbook, continued...

## Passing Periods and Hallway Protocols:

Passing periods are five minutes in length. Students are expected to leave their class and promptly make their way to their next class. Students should not congregate in groups while in hallways, locker bays, the media center, or common areas throughout the building.

## Open Campus/PAWS Periods:

All high school students who have an off period and choose to remain on campus **must report to a designated PAWS area**. PAWS stands for Plan, Appointment, Work, and Self-Care. PAWS areas include the media center, the cafeteria (except during 5th or 6th hour), and several designated seating areas in large hallways around the school. Students can identify an appropriate area by the PAWS sign that is hanging in the space. High school students who are on an off period should not be in any areas where they could create a distraction for a class that is in session. Open campus for high school students is a privilege not a right. High school students may not sit in their vehicles, loiter in the halls or parking lots, or disrupt classes if they have an open period in their schedule.

## Lunch:

**Middle School Students:** Students are allowed to eat in the cafeteria on the first floor only. Please help keep our school clean by placing waste in the trash or recycling bins located in the cafeteria and returning trays and silverware to the cafeteria after eating. Students are encouraged to play outside during the second half of the lunch period to the east of the building with adult supervision.

**High School Students:** All students who are leaving campus for lunch should promptly exit the building and not congregate in locker bays, hallways, or common areas. Students who are meeting up with other students at lunch should do so outside of the building. Students who remain on campus are allowed to eat in the cafeteria or the Learning Park. Please help keep our campus clean by placing waste in the trash or recycling bins and returning trays and silverware to the cafeteria after eating.

## Lunch Deliveries:

TMHS will not accommodate food delivery companies, like Doordash, GrubHub, etc.. Students are not to order food during class time and/or meet a food delivery person on school grounds. This policy is for the safety of our students and staff and to eliminate disruptions caused by food deliveries.

## School Lunch/Breakfast:

School lunch meals will be served by Child Nutrition staff in the cafeteria to students who wish to participate in school meal service. Meals will be served in the cafeteria off the normal serving lines. Students will have the choice between a hot or cold lunch item. Students will be required to enter their student ID information into the point of sale system after selecting their lunch. Breakfast and lunch are free of charge to all students. Students may purchase additional a la carte items if they choose. Breakfast is served from 8:30 am to 9:00 am at TMHS. To apply fee waivers visit:

<https://www.psdschools.org/programs-services/school-meals/free-and-reduced-meals>

## While in Classrooms:

**No food or eating is allowed during class unless given permission by the classroom teacher.** Students are allowed to have water and are encouraged to bring their own water bottles. There are water refill stations available throughout the building. TMHS discourages students from sharing food and drinks at school.

## End of Day Dismissal:

Once dismissed, students must leave through the doors in which they entered or the exit closest to their last class if weather permits. Students must leave campus immediately after school, unless they have a scheduled appointment with a staff member or are participating in after school activities or athletics. If students are waiting for a family member to pick them up they must report to the commons and sit at a table or wait outside of the building.

## Visiting the Media Center, Front Office, Dean's Office, and Counseling Offices:

Students may ask to get tech help, see their counselor, talk to a Dean, or may have various Health Office needs. ***Students shall obtain a pass from a staff member prior to leaving class.*** This will help hold the students accountable for reporting to the appropriate location and will also allow staff to determine their availability for support.

## Advertisements, Bulletin Boards, and Posters

Student groups may display important notices, posters and fliers in designated areas and public bulletin boards ***after an administrator has approved items.*** Students who wish to distribute more than 10 copies of non-school materials must notify the principal of their request at least three school days in advance of planned distribution and provide a copy of the materials they wish to distribute to seek approval. No materials shall be placed on car windshields in school parking lots.

## Assemblies

Assemblies and pep rallies are provided for the education and entertainment of the student body. Assemblies will be scheduled quarterly or other times designated by administration. Students attending assemblies should take their seats quickly and conduct themselves appropriately and respectfully during presentations and performances. Attendance at assemblies is required unless otherwise posted.

## Building Safety and Security

Students are permitted to enter through the Main Entrance only. During arrival, students may also enter the building through the North entrance near bus drop-off. Students are not to prop-open exterior doors or open exterior doors for other students.

All visitors to any school must check in at the administrative office immediately upon arrival. Unauthorized visitors will be asked to leave school property and may be cautioned that in the future they may be cited for trespassing. Uncooperative visitors may be referred to the appropriate law enforcement agency by the building administration.

## Commons

The TMHS Commons are open for the convenience of students and staff to dine, study, or quietly socialize. Students and staff are responsible for cleaning tables and areas they use prior to leaving. Students are expected to conduct themselves in a safe and respectful manner and are not allowed to sit or put their feet on tables, counters, or backs of chairs. Students who act inappropriately in the commons may be denied the use of the area for periods of time by administration.

## Communication

### School Web-Site

Students and parents are encouraged to check the TMHS website at <http://tmh.psdschools.org> often for updated information including daily news and announcements. Important news articles and detailed announcements are posted regularly to the Calendar section of the school website. Please check this section regularly to keep informed of what is happening at TMHS.

### PSD Communications

PSD will use its emergency notification system, School Messenger, to email parents and send text messages using parent contact information on file in Synergy (the student information system). Using this tool provides many benefits to parents including:

Page | 6

It is important for students and staff to evacuate the building calmly and immediately, following procedures and posted exit plans. Students and staff are to move quickly out of and away from the building and to remain in designated locations until permission is given to re-enter the building. Individuals who deceitfully pull a fire alarm will be subject to suspension and/or criminal charges.

**Secure:** TMHS may be put in Lockout, now known as "Secure," when there is police activity in the surrounding neighborhood. When TMHS is placed in Secure, all activity inside the school is "business as usual." No students or staff are allowed outside of school. All exterior doors are secured and locked.

**Lockdown:** A school Lockdown can be initiated for circumstances that would require staff and students to be secured in classrooms. When TMHS is placed in Lockdown, all exterior doors, windows, and access points are closed and locked to secure the area and protect those inside of the building. In addition, staff will secure students in their classrooms. Lock-down emergency drills will be practiced throughout the school year. Students are required to respond according to administration and staff instructions.

During a Secure or Lockdown staff and administration will be focused on the event and keeping staff and students safe. Communication about the incident will be through the PSD website, which will have the most current information. TMHS will use school email and/or voicemail to communicate updates as soon as possible. Please avoid calling the school directly during a Secure or Lockdown to allow the office staff to focus on the safety of the student population.

**Hold:** A school Hold may be initiated temporarily for designated classrooms or areas of the building where students would need to remain in their classrooms until it is appropriate for them to leave. This is the most commonly used safety or privacy precaution utilized in schools.

**School Closure Due to Weather:** Information about school closings due to inclement weather is broadcast on local radio and TV stations beginning at 6 a.m. The Poudre School District website will also post information on school closures. In the event a decision is made to close school during the day, we will work to ensure the safety of students in accordance with school policy.

**Campus Security Officer:** With Campus Security Officers serving as the eyes and ears of the district and School Resource Officers (certified police officers) based at all middle and comprehensive high schools, safety of students and staff is a top priority. Timnath's Campus Security Officer is Ken Smythe.

### Student Resource Officer (SRO)

The goal of the Poudre School District School Resource Officer (SRO) program is to provide a safe learning environment and help reduce school violence while improving perceptions and relations between students, staff and law enforcement officials. PSD and its partner agencies agree not only to help protect the safety of PSD's school communities but also continue striving toward a restorative-practices approach to disciplinary issues. The SRO maintains an office in the main office at Timnath Middle-High School. Students are encouraged to stop in or contact SRO Brian York at 419-3419. For more information about the PSD SRO program, see <https://www.psdschools.org/schools/school-resource-officer-program>

### Surveillance Cameras

As a part of the effort to ensure a safe and secure learning environment, video cameras are located in and around the building.

Guests & Visitors

Please contact our front office before coming in. When adult visitors are welcome, they must check in at the office and wear a visitor sticker/badge while in the building. Visitors will be approved for specific academic or school-related reasons only.

No students from other schools will be permitted to visit TMHS while either their home school or TMHS is in session without prior written permission from an administrator. As a general rule TMHS does not allow students to "shadow". Access to TMHS students during the school day is allowed only for immediate family members who can verify their relationship with proper identification. Visitors on campus who are not authorized to be on campus may face trespassing charges.

Guests invited to attend Timnath Middle-High School dances or other special events by a Timnath Middle-High student must be approved by administration prior to each scheduled event. Guest forms are available in the Counseling office and need to be returned to the Dean. TMHS students are required to present their current school ID for dance admission.

Students/parents may set up a pre-arranged school tour given by a TMHS Ambassador student **after** school hours. Please contact Mrs. Vasa or Mr. Miltenberg 24 hours ahead of time.

Classroom instruction is protected from unnecessary interruptions. Classes may be interrupted **only** for appropriate or emergency reasons. **Students will be called down between periods for messages or items left for them. It is the student's responsibility to retrieve messages and/or items.**

Health Services/Medication

All students are required to provide a certificate of immunization or present a valid exemption. Poudre School District and state law requires all students to be compliant. For complete information regarding these requirements, please contact the School Nurse or Health Technician at 419-3486.

If a student becomes ill or is injured while at school, he or she should report to the office for assistance and evaluation by the nurse or office staff. Students with ongoing health issues should provide a yearly updated health plan to be placed on file in the office. This information will be used to guide school staff if medical intervention is necessary.

**Medications:** All medications taken at school are to be managed and administered per current district policy. No medications are to be taken on school premises without required parent and health care provider's signatures. For further information regarding medical services, please contact [kwilliamson@psdschools.org](mailto:kwilliamson@psdschools.org)

Lockers

Lockers are assigned to students for the storage of books and personal items. Students may use only one locker and are responsible for general upkeep, as well as any items stored within. **Students may be required to share lockers.** Students are responsible for any damage to their locker and will be billed for any misuse or abuse. Defacing a locker or displaying offensive or inappropriate material on a locker may result in loss of locker, fines, or other disciplinary actions. *The school will not accept responsibility for any items stored in a locker that are stolen or damaged.* Students are encouraged not to store money or other valuables in their lockers. Students may not use personal locks on hallway lockers. Personal locks placed on hallway lockers will be removed by administration. All lockers must be cleaned out by the last day of school. Students will be billed for any required cleaning.

According to district policy, school lockers are the property of Poudre School District and at all times are under the control and supervision of school administration. Lockers and their contents may be searched and examined at any time by the Principal or Principal Designee. Similarly, at the school's request, trained search dogs may be brought in unannounced to search school grounds and locker areas. Inappropriate and/or dangerous items found in lockers may be seized during searches by staff or administration.

Lost and Found

The lost and found area for common items is located on the south end of the Commons just north of the main office. Any electronic items are securely kept behind the receptionist desk in the main office. Other larger items may be kept in the office(s) of the Campus Security Officer's or the School Resource Officer. All lost and found items are disposed of regularly.

Media Center

The Media Center is open Monday through Friday, 8:30 - 4:30. It is available to students before and after school, at lunch, and for drop-in use during off-periods.

The Media Center is where our Technology Managers are located and where students can receive help with their school laptops.

The Media Center houses a diverse collection of non-fiction and reference books, classic and contemporary fiction, bestsellers, graphic novels, foreign language books, and audio and e-books. The Media Center also provides a number of online databases with access to full-text magazine and journal articles, reference works, viewpoint essays, primary sources newspapers, radio and TV transcripts and multimedia. These databases can be freely accessed within the school building. For a list of databases and any necessary password information to access them, please contact [brit@psdschools.org](mailto:brit@psdschools.org)

Students can print school-related documents in the media center, in black and white. There is no charge for black and white prints. The media center features a few desktop computers, and laptop charging stations available for student use on a drop-in basis. Internet access is provided for educational purposes.

FAQS

What if the laptop was stolen?

- If the laptop was stolen, please report to TMHS Administration. Once a report is filed, the administration will investigate with the SRO. During the investigation, your student may not have a laptop/charger for up to a week. Upon completion of the investigation, the SRO will contact the TMHS Tech Team and the student will be eligible to receive a replacement.

What if my child forgot their laptop/charger for the day?

- Students may stop by the tech office to have a daily loaner laptop checked out to them and return it at the end of the day. For laptops, these will be older models. These are fully charged so they will not need a laptop charger. If the laptop isn't returned, the technology fees will apply as listed above. For chargers, loaners will not be checked out as teachers will have 2 chargers per classroom for students to use.

What happens if damages to the laptop occur during the school year?

- Whether damages occur (intentional or accidental), students need to go to the tech office to address any technical issues. The tech team will work with the TMHS Administrative Staff for any intentional damage or misuse of PSD technology.

What if my child transfers to another school?

- Whether the student transfers to another school within PSD or outside the district, the laptop and charger will need to be returned to TMHS. This can be dropped off to the Front Office and accounted for so no fees will be charged. IF technology is not returned, fees will be applied to your child(s) account and/or items will be considered stolen.

- Fiction and non-fiction books circulate for three weeks. Reference books circulate for three days. Items can be renewed multiple times
- Reference books can be checked out for three days
- Students can have a maximum of ten items checked out at a time
- If a book is lost, you are responsible for the replacement cost plus a three dollar district processing fee.

Student Conduct/Policies and Procedures

Academic (Scholastic) Dishonesty

Per the Poudre School District Code of Conduct, scholastic dishonesty, or plagiarism/cheating are serious offenses and will not be tolerated at TMHS. Violations of TMHS policy include but are not limited to:

- Giving another student completed assignments to copy and submit as their original

# TMHS Student Handbook, continued...

- Copying another student's work or paraphrasing another's words or ideas and submitting them as original work
- Submitting another individual's work as your own
- Distributing exam information to other students
- Copying portions or pages from books or electronic references or sources without proper citation (including using translation services such as Chat GPT or Google Translate)
- Taking or copying answers from another student during a test situation
- Viewing or using a cell phone or wireless device during an examination

Offenses carry from year to year and apply to all courses a student is enrolled in. The following consequences apply for incidents of dishonesty:

- 1st offense: Teacher contacts home and completes referral to the front office for documentation and includes evidence of cheating. Students may receive a zero or an alternative assignment to prove learning
- 2nd and subsequent offenses: Referral to administration

## Attendance Policy (Board Policy JH/JHB)

Regular daily attendance is vital for students to succeed at TMHS. The loss of real-time instruction with teacher and classmates cannot be replicated and may impair the absent student's academic progress. Therefore, parents/guardians and students should make every effort to prevent intentional absences from school. PSD's goal for student attendance set by the Colorado Department of Education is 95% or higher for daily student attendance. The responsibility of meeting this goal is shared between the student, the parent/guardian, and the school. TMHS is expected to meet or exceed this goal.

Students are expected to be in classrooms when they have a scheduled class. Systems have been implemented to keep students from loitering in the hallways, PAWS areas, etc. TMHS is an open campus for high school students. 9th-12th grade students may use the Commons or Media Center during scheduled off periods, or leave campus, but will be actively encouraged to be in scheduled classes or they will be escorted to a supervision location for attendance intervention.

## Policies and procedures for addressing absences are as follows:

- Any student arriving after the start of class will be marked tardy. Students arriving after the first 10 minutes of class will be marked extreme tardy. Students who miss half of the class period or more will be marked absent.
- Absences and tardies must be called into the attendance office within 5 school days to be excused by a parent or guardian. **Absences called in after 5 school days will remain unexcused**
- Students may not call in to excuse their own absences. Doing so will result in disciplinary consequences
- Arriving late or leaving early: parents need to call the attendance line to excuse the student
- Make-up work shall be provided for excused and school/activity absences. The student is responsible for picking up all makeup assignments on the day he or she returns to class. Students shall have at least one day to complete make-up work for each day of absence. The school provides students serving suspensions the opportunity to make up the work missed

## Excused Absences

The following are considered **excused** absences according to district policy:

- Absence due to illness or injury, or to attend a doctor's appointment

Page | 13

- Pre-arranged absences approved by administration for family activities, appointments, or circumstances that cannot be taken care of outside of school hours
- Absences to attend school-sponsored activities approved by administration. **Athletes must attend school at least half of the day in order to participate in practice or athletic competitions scheduled for that date. Exceptions such as family emergencies must be cleared through the Athletic Director's office**
- Absences to attend required legal proceedings
- A student who is excused by a parent/ guardian for observance of a religious holiday

Please note: Absences must be called into the attendance line. However, the school may require adequate verification for the above absence exceptions including written statements from physicians. The Administration has the authority to determine whether an absence is excused or unexcused.

## Unexcused Absences

Students with excessive unexcused absences may receive an office referral. Students and families will be asked to work with counselors, teachers, and the administration to help improve attendance and may be put on an attendance contract.

## Tardies

A student is considered tardy if they arrive to class after the last bell has rung. Parents can call to excuse tardies for illness, injury, court, or doctor appointments. Excessive tardies will be addressed by the teachers and administration. Families may be notified of an improvement plan.

Detention and/or in school suspension may be assigned to students who are habitually tardy. Detention must be served during the week the student is assigned and if time is not served, the student will be referred to an administrator for further disciplinary action.

## Restorative Practices and Attendance

Our goal is to positively impact our school-wide attendance and ultimately student success by creating a more immediate and meaningful response to unexcused absences. Generally speaking, we seek to solve the problems regarding attendance and behavior through restorative practices and work to understand the root cause of behavior.

## Code of Conduct (PSD Student Code of Conduct)

Each student will have access to a PSD Student Rights and Code of Conduct Booklet on an annual basis. Students will be responsible for knowing and abiding by its contents. Administrators may suspend or recommend expulsion of a student who engages in one or more of the following specific activities while in school buildings, on school grounds, in school vehicles, or during a school-sponsored activity, in accordance with the federal safe school statutes. TMHS Student Handbook, continued...

Students who violate this policy provision shall be subject to disciplinary action, including suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions.

Other "potential" weapons which are not allowed at TMHS are pocket knives, lasers, stun guns, brass knuckles, cigarette lighters, etc. Any student who carries or possesses a "potential" weapon is subject to out-of-school suspension with possible expulsion proceedings. **Any item which can be used as a weapon will be confiscated by the school administration and possibly submitted to the police as evidence.**

- Any other object, device, instrument, material, or substance, whether animate or inanimate used or intended to be used to inflict death or serious bodily injury.

*(This document represents an effort to differentiate between minor and major student infractions, and an effort to ensure that consequences are assigned in a fair and consistent manner. However each incident will be investigated and the TMHS administration reserves the right to increase the severity of consequences at their discretion)*

**Dress Code** [\(Board Policy JICA\)](#)

The Board of Education recognizes that responsibility for the dress and appearance of students generally rests with individual students and their parents. All students should be able to dress comfortably and in a manner that expresses their individuality without fear of or actual unnecessary discipline or body shaming. To ensure effective and equitable enforcement of the dress code, school officials shall enforce the dress code consistently and in a manner that does not create disparities, reinforce stereotypes, or increase marginalization or oppression of any group. This dress code will not be more strictly enforced against students because of their race, color, creed, national origin, ancestry, sex, sexual orientation, gender identity, gender expression, marital status, age, or disability.

School is, in part, a workplace for students. Thus, an environment that encourages appropriate clothing is necessary. Students at TMHS should dress in a way that is not offensive to members of the school community, not disruptive to the educational process, or a threat to the safety and health of others. District approved guidelines at TMHS for student attire is as follows:

- Apparel must be worn in a way that covers breasts, nipples, genitals, midriff, and buttocks
- A shirt (with fabric in front, back, and on the sides underneath the arms); AND
- Pants or the equivalent (eg., a skirt, sweatpants, leggings, a dress, or shorts); AND
- Shoes (eg., sandals, boots, or athletic shoes)
- Clothing that promotes alcohol, drugs, tobacco, gang affiliation, weapons, or profanity is prohibited
- Any jewelry or accessories that could be used as a weapon will not be allowed
- Sunglasses, dark glasses, masks or any attire which covers the face are prohibited

Administration will make final determinations of dress code violations. Students found in violation of the dress code will be asked to change their attire. Failure to follow staff requests will be grounds for disciplinary action.

Page | 17

*Students who receive multiple referrals for dress code violation may face more severe consequences, including but not limited to suspension.*

**Electronic Devices & Personal Communication Devices** [\(Board Policy JICJ\)](#)

As used in this policy, "personal communication device" or "PCD" is defined to include all student cell phones, pagers, iPods, MP3 players, Zunes, personal digital assistants, cameras, audio and/or video recorders and players, and all other hand-held electronic communication and data storage devices. Students may only possess and use PCDs on District property or school-sponsored activity or event when such possession or use has a reasonable connection to school or any District curricular or non-curricular activity. Devices that play sound must be silenced so as to not be a distraction to other students, or be used with headphones. Volume of a device must also be at a reasonable level.

Students who repeatedly violate these expectations may lose the privilege of carrying these devices on campus and face disciplinary action. **TMHS is not responsible for any lost or stolen electronic or communication devices.**

**Students may possess and use PCDs at school except under the following circumstances:**

- Students shall not use PCDs at any time during testing, when they are in class or participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee
- Students shall keep all PCDs out of sight at all times when they are in class and in or attending education related activities, unless expressly authorized by the principal or his/her designee
- Students shall keep PCDs turned off or dormant at all times they are in class and at all times they are participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee. In this regard, "dormant" means elimination of all vibration alerts, alarms, ringtones, flashes, and other methods of notification of incoming calls or messages
- Students shall not use PCDs when they are not in class or when they are not otherwise participating in or attending education-related activities if such use results in disruption of the educational process or of school operations, as determined by the principal or his/her designee

If one or more of these rules conflicts with a student's IEP or Section 504 Plan, the conflicting terms of the rule(s) shall not apply with respect to that student.

**Students who violate any of these rules are subject to one or more of the following consequences for each violation:**

**1<sup>st</sup> offense:** Teacher may confiscate the PCD until the end of the school day.

**2<sup>nd</sup> offense:** Teacher may confiscate the PCD. PCD will be held with a Dean until the end of the school day. The student must have an administrative conference with the Dean. A Dean will notify the parent/guardian of concern.

**3<sup>rd</sup> offense:** Teacher may confiscate the PCD. PCD will be held with a Dean until a student and parent conference is completed.

Further offenses may result in the loss of PCD privileges in school and/or other disciplinary action.

**Loitering and Trespassing**

Students are not allowed on any other campuses in Poudre School District other than their own. No students or other individuals shall loiter, idle, or wander in the building or on school grounds with the intent to interfere with or disrupt the school learning environment, or with the intent to endanger students or school personnel. The School Resource Officer may cite offenders for loitering or trespassing.

Page | 18

**Parking**

Students can park in the southeast lot. The north lot is for staff only. Handicapped parking has been provided in all lots. All lots have signs to designate areas for visitor and handicapped parking. Cars parked in handicapped stalls must have the appropriate handicap placard visible. All violators will be ticketed.

Student drop off and pickup is restricted to the outside lanes of the southwest and southeast lots in front of the main entrance.

Students and staff attending TMHS on a regular basis are expected to obtain hang tags to identify their vehicle. Hang tags are used to identify vehicles for safety reasons.

**PSD policy JIJE** – student vehicle use and parking, allows for the following rules and guidelines:

When parking lots are provided on campus, all student-driven vehicles shall be parked in such lots. No vehicles may be driven on school grounds except in designated parking areas. Student-driven vehicles shall remain parked while students are scheduled to be in class. No loitering in parked cars or on school parking lots shall be permitted during the school day. The privilege of bringing a student-operated motor vehicle onto school premises is based upon the condition of consent by the student driver to allow a search of the vehicle when there is reasonable suspicion the search will yield evidence of contraband. Refusal by a student, parent/guardian, or vehicle owner to allow search access to a motor vehicle on school premises when requested shall be cause for termination without further hearing of the privilege of bringing any vehicle onto school premises by said individual. Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs, explosives, and other contraband. Principals may adopt additional parking and driving regulations as necessary for the proper operation of their schools and programs.

In order to park at TMHS, students must obtain a hang tag. The hang tag is valid for the time they are at TMHS. A \$5.00 replacement fee will be required for additional or lost hangtags. Hang tags are assigned to the students and not to the vehicle and may be transferred to any vehicle the student is driving on campus. Hang tags may not be given to another student to use. Hang tags are to be displayed to be readable through the front windshield.

Driving and parking on campus is a privilege. Students who drive and park their vehicles on campus will adhere to TMHS traffic rules, PSD policies, and State and Federal statutes regarding traffic. Inappropriate behaviors in the parking lot will be addressed by school officials and may result in school community service, booting, loss of driving and parking privileges on school property, tickets from local law enforcement, and/or towing of vehicle at owner's expense. In the event that a driver recklessly endangers self, others, or property, privileges may be automatically suspended or revoked. Violations may be appealed. TMHS Student Handbook, continued...

Per the Poudre School District Code of Conduct (JHH):  
Each school retains the authority to patrol its student parking lots, and all vehicles parked in student lots are subject to sniffs by dogs trained to alert at the scent of drugs, explosives and other illegal or unauthorized materials. In addition, the interiors (page 23 Poudre School District Student Rights & Code of Conduct) and trunks of all vehicles parked by students at school may be searched upon reasonable suspicion that they contain items or substances which it is illegal for students to possess and/or items or substances which District policy or regulations prohibit from being on school property. Failure to allow the search of a vehicle's interior or trunk under these circumstances shall result in the student's automatic loss of the privilege of parking at school for at least the remainder of the academic year.

Any item found in the course of a search conducted in accordance with this policy and determined to be evidence of a violation of District policy, school rules, or federal, state or local laws shall be immediately seized and tagged for identification. Such evidence shall be kept in a secure place by the principal or principal's designee. If such evidence is determined to concern a violation of the law, the principal or designee shall promptly contact a law enforcement officer to pick up the evidence. Otherwise, the evidence shall be maintained by the principal or principal's designee until it is no longer needed as evidence in a school disciplinary hearing, at which time it shall be returned to the parent, guardian or legal custodian of the student from whom it was seized.

**Police Dogs**  
Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs, explosives, and other contraband.

**Reporting Threats/Inappropriate Conduct**  
If a student believes that they or others are being threatened or if they have knowledge of the presence of drugs, alcohol, or weapons on campus, they should report this information immediately. Students can share information and concerns with teachers, counselors, administrators, the School Resource Officer, or other school staff. They may also use Safe2Tell, the 24-hour confidential Safe2Tell hotline, either by texting or calling 877-542-SAFE. Student privacy and anonymity will be appropriately protected in all situations where possible.

**Skateboards, Bicycles, and Skates**  
Skateboards, skates, and bicycles may be used to arrive and depart from school. These and other similar equipment must be dismounted when students enter campus to prevent pedestrian accidents or injuries. Participating in tricks, stunts, or jumps while using these items on school property is prohibited. The previous actions are subject to school discipline or tickets by school Security or Police. Skateboards and skates are to be placed in assigned lockers or locked in available racks during school time. Bicycles may be parked and locked only at designated bike racks. Bicycles parked and locked at any other locations may have locks cut and bicycles taken inside for the owner to claim.

- CMAS - grades 6-8, 11

**Google Classroom**  
Many teachers at TMHS use Google Classroom as their learning platforms. TMHS staff can post current class notes, announcements, assignments, and even tests for students to access at any time whether they are at school or at home.

**Field Trips**  
It is the expectation that all students will communicate with teachers before missing any class about making up assignments. Prior to the field trip or out-of-school activity, it is the responsibility of the student to check with his or her teacher.

Field trips may potentially involve risks and responsibilities for your child that are beyond the scope of those normally associated with educational activities at school. Such risks are personal injury and/or damage to personal property. Students attending a field trip are required to fill out a Student Permission Form (provided by the field trip sponsor/teacher). High School students will at times take a field trip that they may be asked to drive or carpool to. In this case the "designated driver" is required to fill out the Volunteer Field Trip Driver Application and provide a copy of their driver's license and current insurance coverage (copies from previous trips are not accepted). To account for all students, passengers are required to be on the list of the appropriate driver. Students 18 years of age or older are still required to provide the Student Permission Form and Volunteer Field Trip Driver Application.

**Grading Information**  
Timnath High School's grading scale is as follows:

Proficiency Score	Academic Achievement	Descriptor
4	Advanced	The student consistently demonstrates an in-depth understanding of the standard/benchmark, exceeding course-level expectations. The student applies and extends the key concepts, processes, and skills. Performance is characterized by high levels of quality and complexity.
3	Proficient	The student consistently demonstrates a thorough understanding of the standard/benchmark and meets course-level expectations. The student applies the key concepts, processes, and skills.
2	Approaching Proficient	The student demonstrates some understanding of the standard/benchmark. Performance is inconsistent and varies in regard to accuracy and quality.
1	In Progress	The student does not demonstrate an understanding of the standard/benchmark. The student is well below course-level expectations. Performance is inconsistent even with support.
0	Insufficient Evidence	The student has not completed a sufficient amount of work to determine a proficiency level.

\*\*Descriptors modified from Ken O'Connor's "The School Leader's Guide to Grading"

**Final Grades will be converted to letter grades using the conversion scale here:**

Grade earned	Letter Grade	GPA Point Value
3.5-4.0	A	4
3.0-3.49	A-	4
2.5-2.99	B	3
2.0-2.49	C	2
1.5-1.99	D	1
0.0-1.49	F	0

**Grade Change Policy**  
Students may retake the same PSD course and be credited with the higher earned grade upon approval from administration and space availability. The original grade will be denoted on the transcript as "repeat forgiven". A student may receive credit for the course only once. After a student has retaken a course, they must complete a grade change form and submit it to his or her counselor to receive administrative approval. Forms are available in the Registrar and Counseling offices.

**Registration**

**Change of Address**  
To assist TMHS staff in responding to emergencies and to ensure that parents and guardians receive all school mailings, please notify the registrar by calling 970-419-3414 with any changes of address, phone numbers, or email addresses.

**Check-In**  
Prior to the first day of classes in August, all students are required to check in at their designated time. During check-in, students will receive their official schedule, and ID cards. Students will also have their school pictures taken, pay fees, and receive parking permits, etc.

**Check-Out**  
At the end of the school year, students are required to check out of their classes. During checkout students must account for all books, equipment, fines, fees and the condition of their lockers. Students will not be allowed to attend the next term of classes or enroll in another school until checkout is completed. If a student has any unpaid fees, fines or other charges, the school may withhold participation in extracurricular events and graduation ceremonies until those fines and fees have been paid in full. Students may check out or take exams early only with administration approval.

**Schedule Changes/Class Drop Policy**  
Schedule repairs and Add/Drop opportunities are offered to students who have errors on their schedules or reasons for needing to change their classes. Schedule changes are limited to these opportunities each semester. Schedule repairs and Add/Drop are student-initiated processes and conducted within designated times and on a space-available basis.

TMHS Student Handbook, continued...

Reasons that a schedule may need repair include the following:

- 1. Class on schedule that a student has already passed
  - 2. Scheduled in the same class twice (ex: 2 Chemistry classes)
  - 3. Student is not meeting a graduation requirement (seniors only)
  - 4. Incorrect level placement (teacher approval may be required)
  - 5. Change in 4 year academic plan that impacts college admission – approved on an individual basis.
  - 6. Dropping a class ONLY and not taking another in its place.
- All Students must be enrolled full time, meaning students must be taking at least 60 credits per year and 30 per semester.

Adding/Dropping a Class

Students are able to add classes up until each class has had the opportunity to meet twice. Due to the rotating block schedule, the last day to add a class is typically the third day of a marking period. Students may drop a class up until the end of the first full week of school without any record appearing on their transcript. Following that date, students dropping a class will receive a "W" for "Withdraw" on their transcript. Permission will only be granted with administrator, teacher, parent, and counselor approval. After four weeks of the semester, any class dropped will be designated on a transcript with the mark of "WF," or "Withdraw/Fail." A mark of WF factors into one's GPA in the same manner as an "F" and requires student, parent, and counselor or administrator approval.

Student ID Cards

All students are required to have an ID card. Cards are issued at the time the student checks into TMHS. Cards will be collected if a student drops out of school. Students must have ID cards to check out library media materials. This ID will admit students to home athletic contests and some other designated events. The ID may also entitle students to student prices at away events. IDs do not admit students to district, regional, or state competitions, or to invitational or conference tournaments. **Lost or damaged cards will be replaced for a fee. Please see the Registrar for a new ID.**

Student Organizations and Clubs

Students at TMHS are encouraged to participate in co-curricular activities to add yet another positive experience to their high school career. TMHS has a wide range of Student-Initiated Clubs, and School-Sponsored Clubs available for students. Please note that all Board of Education policies regarding student conduct are in effect at any scheduled activity or event regardless of where they are held. Contact the Activities Director in the front office if you have questions.
