Timnath Middle-High School Staff Appreciation Team

The Timnath Middle-High School Staff Appreciation Team has been hard at work helping feed our staff for Back to School Night and Parent-Teacher Conferences. This has been such a blessing to our staff to be able to eat together as a team after the school day and before the event when they would otherwise have had to rush to grab a bite to eat and make it back to school. The conversations and team building is vital to our Professional Learning Community. We have several other events planned throughout the year. If you'd like to help support, please use this [School Pay Link](#) to make your donation. Our Staff Appreciation team can then make tax exempt purchases for items that are needed.

Our next event is organizing the TMHS Staff 2024 Celebration breakfast on Wednesday, December 18th at 8:00 am. Our staff makes a huge impact on the lives of each and every student on a daily basis. This celebration breakfast is the perfect time for reflecting on the growth and success of all that has been accomplished at TMHS this first semester.

Staff Appreciation donations.

- December Staff Celebration
- General donations for snacks/coffee pods

Thanks to our TMHS Staff Appreciation team, they have planned the TMHS Staff 2024 Celebration breakfast on Wednesday, December 18th at 8:00 am. Our staff makes a huge impact on the lives of each and every student on a daily basis. This celebration breakfast is the perfect time for reflecting on the growth and success of all that has been accomplished at TMHS this first semester.

The culture at TMHS is as important as the curriculum and we believe that appreciating our staff helps build morale and fosters a positive atmosphere to ensure success at TMHS. We are asking parents to help support our efforts in saying thank you to our staff. Each staff will enjoy the breakfast as well as a box of cookies, a gift card, and a small gift recognizing the dedication they put into working at TMHS.

Thank you for your generosity!

- Fall Sports Wrap-Up

What a fantastic fall season for our teams!

- Cross Country: We capped off the season with a State Championship! Our girls' cross country team moved up to the 4A CHSAA division and claimed the title over Battle Mountain. Special shout-outs to Izzy Shimmelpfennig and Addison Gereats, who both finished in the top 10. Congratulations to the entire cross country team! They also took home regional and league championships!
 - Football: The football team finished the season with a 5-5 record, moving up to the 3A state division and coming close to making the playoffs. A great effort all around!
 - Boys' Soccer: Boys' soccer had an impressive season, finishing 10-2-5 and making it to the second round of the playoffs. Unfortunately, they were edged out by Woodland Park in a cold and snowy battle.
 - Unified Football: Unified Football competed in the Special Olympics State event in early November, bringing home a First Place State Win in the High School Division 2!
 - Girls' Volleyball: Our volleyball team hosted the Region 7 Championship and made a strong run at the state tournament, defeating Pueblo Country and Conifer along the way. The Volleyball team competed in the 4A State Championship on Thursday, the 14th, and Friday, the 15th of November, facing tough matches against University and Windsor. While they came up short, their determination and teamwork throughout the season were inspiring. We are incredibly proud of their hard work and achievements this year, and we are excited to support them as they aim for redemption at next year's state championship!
 - Good Luck to Cheer and Dance at State December 13th and 14th and the Coliseum!

They ended the regular season 6 - 0.

The playoffs are set up best of 7 games. The first match was against the Jepson Jaguars from Vacaville, California. Platinum took it 4 games to 3. The second match was against the Tipton Tigers from Tipton, California. Winning 4 to 1.

All of the Mario Kart players did a great job this season.

Elliott Davis, Evan Musgrove, Greyson Schick, Ben Witiw and Calin Worthington

The winter season will start in January after winter break. We will be competing in SSBU and Chess.

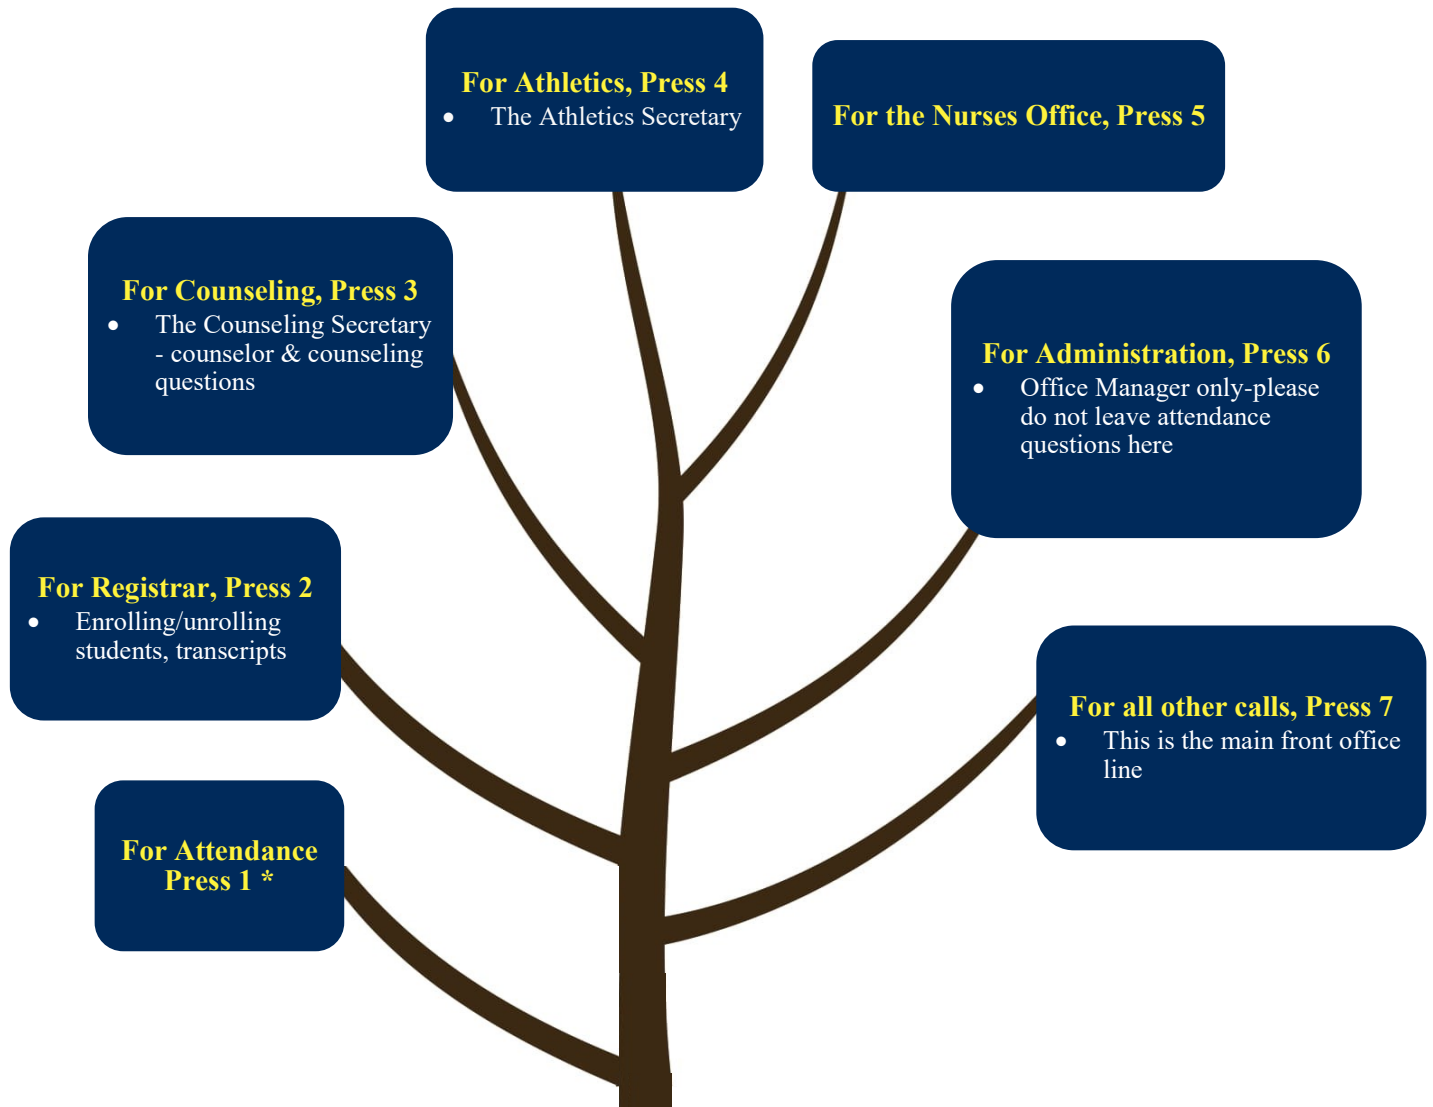

Happy Holidays

From Attendance

Due to the growing number of students and increased phone calls, we have implemented a phone "tree" system to better serve our TMHS community.

When you call our main line, 419-3400, you will be prompted to the following:

* The Attendance line is for reporting an absence: illness, appointments or early dismissals. This can also be done in **ParentVue**.

We would prefer you to call the attendance line in the morning to request an early dismissal for your student. Early release passes are distributed during the first period of the day. If your student needs to be checked out last-minute (no later than 3:45), please press 7, which is the Main Office line.

For last-minute dismissals throughout the day, please be sure to check your students' schedule as it is difficult to find students when they are on their lunch break.

From Counseling

Counselors presented important information to 9th grade students about graduation requirements, how to earn credit for classes taken, calculating GPAs, and introducing Individual Career and Academic Plans (ICAP). Students learned how to check their graduation requirements and check their status using StudentVue. You can find this presentation [here](#).

Course Registration Course Registration for the 2024-2025 school year is already upon us! All middle and high school students will begin their course selection process in January - families can look for updated information and dates on the counseling website in mid-December.

As we wrap up this semester middle schoolers will be starting their ICAP lessons in Xello through ELO! The middle school will be doing the following lessons:

6th Grade Lesson #1: What is ICAP?/Build your Xello Profile

Custom Lesson

- Upload a profile picture and cover photo
- Learn about ICAP and Xello

7th Grade Lesson #1: Explore Career Matches

- Investigate central, secondary, and other aspects of the career match assessment, and how they relate to careers
- Reflect on their own career assessment results
- Explore the aspects of a career that interests them

8th Grade Lesson #1: Skills

- Identify the skills needed for a variety of occupations
- Investigate career options related to their own skills
- Explore how school, extracurricular, and leisure activities help build skills

To learn more about Xello and ICAP check out the PSD future ready website here: <https://www.psdfutureready.org/xello/>

PSD Future Ready The PSD Future Ready website has some great events coming up for PSD students - you can stay up to date on their latest events at <https://www.psdfutureready.org/events/>

Holiday Support

In the spirit of gratitude, family, and supporting our most vulnerable students during this time, we'd like to invite you to help care for our Cubs if you're able. Students identified as facing housing insecurity or poverty face great challenges when it comes to ensuring their basic needs are met as they pursue their education.

Our Cubs Care for Cubs Fund will be used to stock our pantry and/or support basic needs of students with financial challenge throughout the year

Do TREP students graduate?

Students will walk in the 2025 graduation ceremony, but will not receive their diploma until the end of their two TREP years. The diplomas will be dated 2027 because students remain enrolled as a PSD student for TREP funding purposes.

TREP CONTINUED

CLASSES

How do TREP students register for classes?

Students register for classes with a college advisor, not with their high school counselor. Students must declare a major in an education pathway. Students must have an education ICAP.

FT/PT

Do TREP students need to be full-time?

Students are asked to be full-time (12-18 credits). If they must be part-time (3-11 credits) in the fall, they will only be able to be part-time in the spring.

TIMELINE

Can TREP students take classes the summer after graduation?

PSD does not receive funding to pay for classes taken the summer between graduation and the start of the TREP program.

What if PSD students meet their high school graduation requirements early?

Students need to remain enrolled with PSD through spring 2025. Students can take campus select classes or continue with concurrent enrollment in the high school. Work-based learning or additional elective high school classes are other options for remaining enrolled.

Extended Learning Opportunity: ELO is designed to provide common time for students to receive extra time and support from teachers while fostering a sense of belonging and promoting academic success for all students. Similar to an advisory period, students are given opportunities for individualized work time, teacher support, enrichment, and leadership. Arriving at School:

The front doors will open at 8:35 am each day.
 If there is an event before this time, the responsible employee will come open the doors.

Entering the Building:

All students dropped off by the bus will enter through the North Door.
 If you provide your own transportation, please enter through the Main Entrance (South Door).

Lockers:

Lockers will be used per student request. Students should be courteous of other students who need access to their locker. Students should not congregate in groups while in hallways, locker bays, the media center, or common areas throughout the building in a way that blocks the travel of others.

Hall Passes:

All students will remain in their classes for the entire period and are allowed to leave when they are escorted by staff or provided a designated hall pass that must be worn at all times until they return to their classroom. Students leaving for restroom needs will be given five minutes, be required to obtain a hall pass from their teacher, and will be expected to use the restroom located closest to their classroom. Students with additional needs should talk with their counselor or teacher directly.

Health Office Protocols:

TMHS Student Handbook, continued...

If a student begins to feel sick while at school, they should tell their teacher. The teacher will call the health office and alert the staff that the student is on their way down. The student will be required to wear a hall pass and check in with the health tech.

Passing Periods and Hallway Protocols:

Passing periods are five minutes in length. Students are expected to leave their class and promptly make their way to their next class. Students should not congregate in groups while in hallways, locker bays, the media center, or common areas throughout the building.

Open Campus/PAWS Periods:

All high school students who have an off period and choose to remain on campus **must report to a designated PAWS area**. PAWS stands for **Plan, Appointment, Work, and Self-Care**. PAWS areas include the media center, the cafeteria (except during 5th or 6th hour), and several designated seating areas in large hallways around the school. Students can identify an appropriate area by the PAWS sign that is hanging in the space. High school students who are on an off period should not be in any areas where they could create a distraction for a class that is in session. Open campus for high school students is a privilege not a right. High school students may not sit in their vehicles, loiter in the halls or parking lots, or disrupt classes if they have an open period in their schedule.

Lunch:

Middle School Students: Students are allowed to eat in the cafeteria on the first floor only. Please help keep our school clean by placing waste in the trash or recycling bins located in the cafeteria and returning trays and silverware to the cafeteria after eating. Students are encouraged to play outside during the second half of the lunch period to the east of the building with adult supervision.

High School Students: All students who are leaving campus for lunch should promptly exit the building and not congregate in locker bays, hallways, or common areas. Students who are meeting up with other students at lunch should do so outside of the building. Students who remain on campus are allowed to eat in the cafeteria or the Learning Park. Please help keep our campus clean by placing waste in the trash or recycling bins and returning trays and silverware to the cafeteria after eating.

Lunch Deliveries:

TMHS will not accommodate food delivery companies, like Doordash, GrubHub, etc.. Students are not to order food during class time and/or meet a food delivery person on school grounds. This policy is for the safety of our students and staff and to eliminate disruptions caused by food deliveries.

School Lunch/Breakfast:

School lunch meals will be served by Child Nutrition staff in the cafeteria to students who wish to participate in school meal service. Meals will be served in the cafeteria off the normal serving lines. Students will have the choice between a hot or cold lunch item. Students will be required to enter their student ID information into the point of sale system after selecting their lunch. Breakfast and lunch are free of charge to all students. Students may purchase additional a la carte items if they choose. Breakfast is served from 8:35 am to 9:05 am at TMHS. To apply fee waivers visit: <https://www.psdschools.org/programs-services/school-meals/free-and-reduced-meals>

While in Classrooms:

No food or eating is allowed during class unless given permission by the classroom teacher. Students are allowed to have water and are encouraged to bring their own water bottles. There are water refill stations available throughout the building. TMHS discourages students from sharing food and drinks at school.

End of Day Dismissal:

Once dismissed, students must leave through the doors in which they entered or the exit closest to their last class if weather permits. Students must leave campus immediately after school, unless they have a scheduled appointment with a staff member or are participating in after school activities or athletics. If students are

Page | 5

waiting for a family member to pick them up they must report to the commons and sit at a table or wait outside of the building.

Visiting the Media Center, Front Office, Dean's Office, and Counseling Offices:

Students may ask to get tech help, see their counselor, talk to a Dean, or may have various Health Office needs. *Students shall obtain a pass from a staff member prior to leaving class.* This will help hold the students accountable for reporting to the appropriate location and will also allow staff to determine their availability for support.

Advertisements, Bulletin Boards, and Posters

Student groups may display important notices, posters and fliers in designated areas and public bulletin boards **after an administrator has approved items**. Students who wish to distribute more than 10 copies of non-school materials must notify the principal of their request at least three school days in advance of planned distribution and provide a copy of the materials they wish to distribute to seek approval. No materials shall be placed on car windshields in school parking lots.

Assemblies

Assemblies and pep rallies are provided for the education and entertainment of the student body. Assemblies will be scheduled quarterly or other times designated by administration. Students attending assemblies should take their seats quickly and conduct themselves appropriately and respectfully during presentations and performances. Attendance at assemblies is required unless otherwise posted.

Building Safety and Security

Students are permitted to enter through the Main Entrance only. During arrival, students may also enter the building through the North entrance near bus drop-off. Students are not to prop-open exterior doors or open exterior doors for other students.

All visitors to any school must check in at the administrative office immediately upon arrival. Unauthorized visitors will be asked to leave school property and may be cautioned that in the future they may be cited for trespassing. Uncooperative visitors may be referred to the appropriate law enforcement agency by the building administration.

Commons

The TMHS Commons are open for the convenience of students and staff to dine, study, or quietly socialize. Students and staff are responsible for cleaning tables and areas they use prior to leaving. Students are expected to conduct themselves in a safe and respectful manner and are not allowed to sit or put their feet on tables, counters, or backs of chairs. Students who act inappropriately in the commons may be denied the use of the area for periods of time by administration.

Communication

School Web-Site

Students and parents are encouraged to check the TMHS website at <http://tmh.psdschools.org> often for updated information including daily news and announcements. Important news articles and detailed announcements are posted regularly to the Calendar section of the school website. Please check this section regularly to keep informed of what is happening at TMHS.

PSD Communications

Page | 6

PSD will use its emergency notification system, School Messenger, to email parents and send text messages using parent contact information on file in Synergy (the student information system). Using this tool provides many benefits to parents including:

- Ability to target communications to specific groups within a school (ie. specific grade levels)
- Ability to send text messages
- Parent/guardian emails will follow students from school to school

Email & Phone Calls

Timnath staff will utilize email and/or phone calls to communicate with individual families. Emails and/or robo calls about specific and/or timely information related to the larger community will also be offered.

Counseling Department

Guided by the American School Counseling Association National Model, TMHS Counselors serve as advocates, guiding and fostering the potential in all students during their development toward academic, career, and personal/social success. Counselors believe we can benefit students most through multiple, direct interactions that are initiated throughout the student's high school career regarding, but not limited to, the following:

- Social/emotional support
- College and career planning
- SAT and ACT test preparation
- Peer support/mediation/mentoring
- Course/Academic advising
- ICAP/Xello support
- Academic support and access to tutoring help
- Advanced Learning Plan support
- 6th and 9th Grade transition opportunities
- Concurrent Enrollment opportunities
- IEP and 504 plan support
- Requested/walk-in student appointments

Visit the TMHS Counseling website at: <https://sites.google.com/psdschools.org/tmhs-counseling/home>

College and Career Center

The TMHS College and Career Center is student-centered and designed to assist students and their families in a variety of ways. These include:

- Transcript requests
- Scholarships
- NCAA
- Information on TMHS/District college and career events
- College, career, technical school, & military recruiter visits
- College visit field trips
- Any other walk-in questions related to college and career planning

Emergency Drills & Evacuations

Poudre School District and Timnath Middle-High School are committed to an inclusive and safe climate for all students. For more information about School Safety and Security, please review: <https://www.psdschools.org/schools/safety-and-security>

Page | 7

Emergency drills are conducted in cooperation with the local fire department in order to safeguard the students in case of an emergency. The building fire alarm is sounded during fire drills or emergencies. It is important for students and staff to evacuate the building calmly and immediately, following procedures and posted exit plans. Students and staff are to move quickly out of and away from the building and to remain in designated locations until permission is given to re-enter the building. Individuals who deceitfully pull a fire alarm will be subject to suspension and/or criminal charges.

Secure: TMHS may be put in Lockout, now known as "Secure," when there is police activity in the surrounding neighborhood. When TMHS is placed in Secure, all activity inside the school is "business as usual." No students or staff are allowed outside of school. All exterior doors are secured and locked.

Lockdown: A school Lockdown can be initiated for circumstances that would require staff and students to be secured in classrooms. When TMHS is placed in Lockdown, all exterior doors, windows, and access points are closed and locked to secure the area and protect those inside of the building. In addition, staff will secure students in their classrooms. Lock-down emergency drills will be practiced throughout the school year. Students are required to respond according to administration and staff instructions.

During a Secure or Lockdown staff and administration will be focused on the event and keeping staff and students safe. Communication about the incident will be through the PSD website, which will have the most current information. TMHS will use school email and/or voicemail to communicate updates as soon as possible. Please avoid calling the school directly during a Secure or Lockdown to allow the office staff to focus on the safety of the student population.

Hold: A school Hold may be initiated temporarily for designated classrooms or areas of the building where students would need to remain in their classrooms until it is appropriate for them to leave. This is the most commonly used safety or privacy precaution utilized in schools.

School Closure Due to Weather: Information about school closings due to inclement weather is broadcast on local radio and TV stations beginning at 6 a.m. The Poudre School District website will also post information on school closures. In the event a decision is made to close school during the day, we will work to ensure the safety of students in accordance with school policy.

Campus Security Officer: With Campus Security Officers serving as the eyes and ears of the district and School Resource Officers (certified police officers) based at all middle and comprehensive high schools, safety of students and staff is a top priority. Timnath's Campus Security Officer is Ken Smythe.

Student Resource Officer (SRO)

The goal of the Poudre School District School Resource Officer (SRO) program is to provide a safe learning environment and help reduce school violence while improving perceptions and relations between students, staff and law enforcement officials. PSD and its partner agencies agree not only to help protect the safety of PSD's school communities but also continue striving toward a restorative-practices approach to disciplinary issues. The SRO maintains an office in the main office at Timnath Middle-High School. Students are encouraged to stop in or contact SRO Brian York at 419-3419. For more information about the PSD SRO program, see <https://www.psdschools.org/schools/school-resource-officer-program>

Surveillance Cameras

As a part of the effort to ensure a safe and secure learning environment, video cameras are located in and around the building.

Guests & Visitors

Please contact our front office before coming in. When adult visitors are welcome, they must check in at the office and wear a visitor sticker/badge while in the building. Visitors will be approved for specific academic or school-related reasons only.

No students from other schools will be permitted to visit TMHS while either their home school or TMHS is in session without prior written permission from an administrator. As a general rule TMHS does not allow students to "shadow". Access to TMHS students during the school day is allowed only for immediate family members who can verify their relationship with proper identification. Visitors on campus who are not authorized to be on campus may face trespassing charges.

Guests invited to attend Timnath Middle-High School dances or other special events by a Timnath Middle-High student must be approved by administration prior to each scheduled event. Guest forms are available in the Counseling office and need to be returned to the Dean. TMHS students are required to present their current school ID for dance admission.

Students/parents may set up a pre-arranged school tour given by a TMHS Ambassador student **after** school hours. Please contact Mrs. Vasa or Mr. Miltenberg 24 hours ahead of time.

Classroom instruction is protected from unnecessary interruptions. Classes may be interrupted **only** for appropriate or emergency reasons. **Students will be called down between periods for messages or items left for them. It is the student's responsibility to retrieve messages and/or items.**

Health Services/Medication

All students are required to provide a certificate of immunization or present a valid exemption. Poudre School District and state law requires all students to be compliant. For complete information regarding these requirements, please contact the School Nurse or Health Technician at 419-3486.

If a student becomes ill or is injured while at school, he or she should report to the office for assistance and evaluation by the nurse or office staff. Students with ongoing health issues should provide a yearly updated health plan to be placed on file in the office. This information will be used to guide school staff if medical intervention is necessary.

Medications: All medications taken at school are to be managed and administered per current district policy. No medications are to be taken on school premises without required parent and health care provider's signatures. For further information regarding medical services, please contact billiamson@psdschools.org

Timnath Middle High School Technology Acknowledgement

This document is to notify parents/guardians of Timnath Middle High School's student laptop agreement, PSD IT policies for students, process to report stolen technology, and technology fees.

Each student will need to accept the PSD Technology Acknowledgement during or before school registration/enrollment. **Students are required to accept this agreement in order to check out a laptop AND charger.** This acknowledgement will be located in StudentVUE, along with the Student Code of Conduct.

Technology Fees

- If the laptop is lost, the fee is \$505. This fee will need to be paid by the end of the school year. Students may come to the tech office to check out an older laptop.
- If the laptop charger is lost, the fee is \$26.50. This fee will need to be paid with the TMHS bookkeeper. The TMHS tech team will need a receipt of payment before issuing a replacement laptop charger.

PSD Student Rights & Code of Conduct: Information Technology (IT) Policies

- Please refer to page 62 on the IT policies for PSD students.

FAQS

What if the laptop was stolen?

- If the laptop was stolen, please report to TMHS Administration. Once a report is filed, the administration will investigate with the SRO. During the investigation, your student may not have a laptop/charger for up to a week. Upon completion of the investigation, the SRO will contact the TMHS Tech Team and the student will be eligible to receive a replacement.

What if my child forgot their laptop/charger for the day?

- Students may stop by the tech office to have a daily loaner laptop checked out to them and return it at the end of the day. For laptops, these will be older models. These are fully charged so they will not need a laptop charger. If the laptop isn't returned, the technology fees will apply as listed above. For chargers, loaners will not be checked out as teachers will have chargers in their classroom for students to use.

What happens if damages to the laptop occur during the school year?

- Whether damages occur (intentional or accidental), students need to go to the tech office to address any technical issues. The tech team will work with the TMHS Administrative Staff for any intentional damage or misuse of PSD technology.

What if my child transfers to another school?

- Whether the student transfers to another school within PSD or outside the district, the laptop and

Page | 10

charger will need to be returned to TMHS. This can be dropped off to the Front Office and accounted for so no fees will be charged. **IF technology is not returned, fees will be applied to your child(s) account and/or items will be considered stolen.**

Lockers

Lockers are assigned to students for the storage of books and personal items. Students may use only one locker and are responsible for general upkeep, as well as any items stored within. **Students may be required to share lockers.** Students are responsible for any damage to their locker and will be billed for any misuse or abuse. Defacing a locker or displaying offensive or inappropriate material on a locker may result in loss of locker, fines, or other disciplinary actions. *The school will not accept responsibility for any items stored in a locker that are stolen or damaged.* Students are encouraged not to store money or other valuables in their lockers. Students may not use personal locks on hallway lockers. Personal locks placed on hallway lockers will be removed by administration. All lockers must be cleaned out by the last day of school. Students will be billed for any required cleaning.

According to district policy, school lockers are the property of Poudre School District and at all times are under the control and supervision of school administration. Lockers and their contents may be searched and examined at any time by the Principal or Principal Designee. Similarly, at the school's request, trained search dogs may be brought in unannounced to search school grounds and locker areas. Inappropriate and/or dangerous items found in lockers may be seized during searches by staff or administration.

Lost and Found

The lost and found area for common items is located on the south end of the Commons just north of the main office. Any electronic items are securely kept behind the receptionist desk in the main office. Other larger items may be kept in the office(s) of the Campus Security Officer's or the School Resource Officer. All lost and found items are disposed of regularly.

Media Center

The Media Center is open Monday through Friday, 8:30 - 4:30. It is available to students before and after school, at lunch, and for drop-in use during off-periods.

The Media Center is where our Technology Managers are located and where students can receive help with their school laptops.

The Media Center houses a diverse collection of non-fiction and reference books, classic and contemporary fiction, bestsellers, graphic novels, foreign language books, and audio and e-books. The Media Center also provides a number of online databases with access to full-text magazine and journal articles, reference works, viewpoint essays, primary sources newspapers, radio and TV transcripts and multimedia. These databases can be freely accessed within the school building. For a list of databases and any necessary password information to access them, please contact brit@psdschools.org

Students can print school-related documents in the media center, in black and white. There is no charge for black and white prints. The media center features a few desktop computers, and laptop charging stations available for student use on a drop-in basis. Internet access is provided for educational purposes.

This policy shall apply to access to and participation in educational activities, course offerings, athletics, counseling, employment assistance, and extracurricular activities.

Every student of this District shall have equal educational opportunities regardless of race, color, religion, national origin, ancestry, sex, sexual orientation, or disability.

The Director of Student Services is responsible for coordinating the District's compliance with the terms of this policy and compliance with applicable civil rights laws, including Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973. Student Conduct/Policies and Procedures

Academic (Scholastic) Dishonesty

Per the Poudre School District Code of Conduct, scholastic dishonesty, or plagiarism/cheating are serious offenses and will not be tolerated at TMHS. Violations of TMHS policy include but are not limited to:

TMHS Student Handbook, continued...

- Giving another student completed assignments to copy and submit as their original
- Copying another student's work or paraphrasing another's words or ideas and submitting them as original work
- Submitting another individual's work as your own
- Distributing exam information to other students
- Copying portions or pages from books or electronic references or sources without proper citation (including using translation services such as Chat GPT or Google Translate)
- Taking or copying answers from another student during a test situation
- Viewing or using a cell phone or wireless device during an examination

Offenses carry from year to year and apply to all courses a student is enrolled in. The following consequences apply for incidents of dishonesty:

- 1st offense: Teacher contacts home and completes referral to the front office for documentation and includes evidence of cheating. Students may receive a zero or an alternative assignment to prove learning
- 2nd and subsequent offenses: Referral to administration

Attendance Policy [\(Board Policy JH/JHB\)](#)

Regular daily attendance is vital for students to succeed at TMHS. The loss of real-time instruction with teacher and classmates cannot be replicated and may impair the absent student's academic progress. Therefore, parents/guardians and students should make every effort to prevent intentional absences from school. PSD's goal for student attendance set by the Colorado Department of Education is 95% or higher for daily student attendance. The responsibility of meeting this goal is shared between the student, the parent/guardian, and the school. TMHS is expected to meet or exceed this goal.

Students are expected to be in classrooms when they have a scheduled class. Systems have been implemented to keep students from loitering in the hallways, PAWS areas, etc. TMHS is an open campus for high school students. 9th-12th grade students may use the Commons or Media Center during scheduled off periods, or leave campus, but will be actively encouraged to be in scheduled classes or they will be escorted to a supervision location for attendance intervention.

Policies and procedures for addressing absences are as follows:

- Any student arriving after the start of class will be marked tardy. Students arriving after the first 10 minutes of class will be marked extreme tardy. Students who miss half of the class period or more will be marked absent.
- Absences and tardies must be called into the attendance office within 5 school days to be excused by a parent or guardian. **Absences called in after 5 school days will remain unexcused**
- Students may not call in to excuse their own absences. Doing so will result in disciplinary consequences
- Arriving late or leaving early: parents need to call the attendance line to excuse the student
- Make-up work shall be provided for excused and school/activity absences. The student is responsible for picking up all make-up assignments on the day he or she returns to class. Students shall have at least one day to complete make-up work for each day of absence. The school provides students serving suspensions the opportunity to make up the work missed

Page | 13

Excused Absences

The following shall be considered **excused** absences:

- A student whose absence is approved by an authorized school administrator. Prearranged absences shall be approved for appointments or circumstances of a serious nature that cannot be taken care of outside school hours.
- A student who is temporarily ill or injured.
- A student who is absent for an extended period due to a physical disability or a mental or behavioral health disorder.
- A student who is pursuing a work-study program under the supervision of the school.
- A student who is attending any District-sponsored activity with advance approval of the school administration.
- A student who is excused by a parent/guardian for observance of a religious holiday.
- A student who is in the custody of a court or law enforcement authorities.
- A student whose absence is due to suspension or expulsion.
- A student whose temporary absence is due to behavioral health concerns. TMHS may require suitable proof regarding the above exceptions, including written statements from medical sources.

Please note: Absences must be called into the attendance line. However, the school may require adequate verification for the above absence exceptions including written statements from physicians. We ask parents that they do not excuse students to get "caught up" from another class while in the building. **The Administration has the authority to determine whether an absence is excused or unexcused.**

Unexcused Absences

Students with excessive unexcused absences may receive an office referral. Students and families will be asked to work with counselors, teachers, and the administration to help improve attendance and may be put on an attendance contract.

Tardies

A student is considered tardy if they arrive to class after the last bell has rung. An unexcused tardy is from the time the bell rings to the first 10 minutes of class. An Extreme Tardy is marked from 11 minutes after the period has started to the halfway point of the class period. If students show up more than halfway of the class period without a pass, they will be marked as an unexcused absence. Parents can call to excuse tardies for illness, injury, court, or doctor appointments. Excessive tardies will be addressed by the teachers and administration. Families may be notified of an improvement plan.

Detention and/or in school suspension may be assigned to students who are habitually tardy. Detention must be served during the week the student is assigned and if time is not served, the student will be referred to an administrator for further disciplinary action.

Restorative Practices and Attendance

Our goal is to positively impact our school-wide attendance and ultimately student success by creating a more immediate and meaningful response to unexcused absences. Generally speaking, we seek to solve the problems regarding attendance and behavior through restorative practices and work to understand the root cause of behavior.

subject to restitution in addition to discipline from the school. Any graffiti or damage to school property will not be tolerated and will be prosecuted to the fullest extent of the law.

A Title IX investigation is possible with a student/parent contact which is required. The student may be subject to discipline from the school and/or recommendation for expulsion from the school district according to the severity of the offense. Police may be notified accordingly. Bullying type behaviors are taken seriously at TMHS and will be addressed every time it is brought to the attention of a staff member. Please see the TMHS Bullying Policy [here](#) for more information on how to report bullying and TMHS's response to it. [Board Policy JICDE](#)

THE FOLLOWING INFRACTIONS ARE ALSO CONSIDERED OFFENSES AND MAY RESULT IN DISCIPLINARY CONSEQUENCES:

- Inappropriate language (verbally, in writing, or with technology)
- Leaving class without permission

Students who continually disrupt the educational process through minor infractions may be referred to TMHS Admin and dealt with accordingly. Consequences could result in a formal warning, class suspension, in school suspension, or an out of school suspension.

Weapons in School: [\(Board Policy JICJ\)](#)

Any student who carries or possesses a "dangerous weapon" on the school grounds will be expelled in accordance with state and federal law.

The Board of Education determines that extra precautions are important and necessary to provide for student safety. Therefore, the using, possessing or threatening to use any knife, regardless of the length of the blade, on district property, when being transported in vehicles dispatched by the district or one of its schools, during a school-sponsored or district-sponsored activity or event, and off school property when the conduct has a reasonable connection to school or any district curricular or non-curricular event without authorization of the school or school district is prohibited. Students who violate this policy provision shall be subject to disciplinary action, including suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions.

Other "potential" weapons which are not allowed at TMHS are pocket knives, lasers, stun guns, brass knuckles, cigarette lighters, etc. Any student who carries or possesses a "potential" weapon is subject to out-of-school suspension with possible expulsion proceedings. **Any item which can be used as a weapon will be confiscated by the school administration and possibly submitted to the police as evidence.**

(This document represents an effort to differentiate between minor and major student infractions, and an effort to ensure that consequences are assigned in a fair and consistent manner. However each incident will be investigated and the TMHS administration reserves the right to increase the severity of consequences at their discretion)

Dress Code [\(Board Policy JICA\)](#)

The Board of Education recognizes that responsibility for the dress and appearance of students generally rests with individual students and their parents. All students should be able to dress comfortably and in a manner that expresses their individuality without fear of or actual unnecessary discipline or body shaming. To ensure effective and equitable enforcement of the dress code, school officials shall enforce the dress code consistently and in a manner that does not create disparities, reinforce stereotypes, or increase marginalization or oppression of any group. This dress code will not be more strictly enforced against students because of their race, color, creed, national origin, ancestry, sex, sexual orientation, gender identity, gender expression, marital status, age, or disability.

School is, in part, a workplace for students. Thus, an environment that encourages appropriate clothing is necessary. Students at TMHS should dress in a way that is not offensive to members of the school community, not disruptive to the educational process, or a threat to the safety and health of others. District approved guidelines at TMHS for student attire is as follows:

- Apparel must be worn in a way that covers breasts, nipples, genitals, midriff, and buttocks
- A shirt (with fabric in front, back, and on the sides underneath the arms); AND
- Pants or the equivalent (eg., a skirt, sweatpants, leggings, a dress, or shorts); AND
- Shoes (eg., sandals, boots, or athletic shoes)
- Clothing that promotes alcohol, drugs, tobacco, gang affiliation, weapons, or profanity is prohibited
- Any jewelry or accessories that could be used as a weapon will not be allowed
- Sunglasses, dark glasses, masks or any attire which covers the face are prohibited

Administration will make final determinations of dress code violations. Students found in violation of the dress code will be asked to change their attire. Failure to follow staff requests will be grounds for disciplinary action. *Students who receive multiple referrals for dress code violation may face more severe consequences, including but not limited to suspension.*

Cell Phone Policy at TMHS 24-25

Electronic Devices & Personal Communication Devices [\(Board Policy JICJ\)](#)

Middle School: Cell phones, headphones, and all other electronic accessories are to be turned off and stored in a backpack or locker while on campus for the duration of the school day. This includes classrooms, hallways, lunch room, and passing periods.

High School: Cell phones, headphones, and all other electronic accessories are to be turned off and stored in a backpack or locker while in classrooms and hallways during instructional periods. This includes assemblies and other special events during school hours. Cell phone use is only permitted for high school students during PAWS periods, passing time, and lunchtime.

Students who repeatedly violate these expectations may lose the privilege of carrying these devices on campus and face disciplinary action. **TMHS is not responsible for any lost or stolen electronic or communication devices.**

Page | 18

If one or more of these rules conflicts with a student's IEP or Section 504 Plan, the conflicting terms of the rule(s) shall not apply with respect to that student. If a parent/guardian needs to communicate with their child, we encourage parent/guardians to call the front office at 419-3400. A note can be brought to the student or the student can be notified and have the opportunity to speak with their parent/guardian on the office phone. Students may also request use of the front office phone when needing to speak with their parent/guardian. In appropriate circumstances, students will not be denied the opportunity to use their personal device to communicate with their parent/guardian if they receive express permission from their teacher or appropriate staff member and communication takes place in the front office.

Students who violate the TMHS Cell Phone Policy are subject to one or more of the following consequences:

- **1st Offense:** Phone is confiscated and kept in the main office for the remainder of the school day.
- **2nd Offense:** Phone is confiscated and kept in the main office for the remainder of the school day. Parent/guardian is called for support to comply with the TMHS Cell Phone Policy.
- **Multiple infractions of the TMHS Cell Phone Policy may necessitate a behavior plan to support the student's compliance with the policy. Multiple infractions may lead to a formal referral and disciplinary action, including detentions and/or suspension.**

Loitering and Trespassing

Students are not allowed on any other campuses in Poudre School District other than their own. No students or other individuals shall loiter, idle, or wander in the building or on school grounds with the intent to interfere with or disrupt the school learning environment, or with the intent to endanger students or school personnel. The School Resource Officer may cite offenders for loitering or trespassing.

Parking

Students can park in the southeast lot. The north lot is for staff only. Handicapped parking has been provided in all lots. All lots have signs to designate areas for visitor and handicapped parking. Cars parked in handicapped stalls must have the appropriate handicap placard visible. All violators will be ticketed.

Student drop off and pickup is restricted to the outside lanes of the southwest and southeast lots in front of the main entrance.

Students and staff attending TMHS on a regular basis are expected to obtain hang tags to identify their vehicle. Hang tags are used to identify vehicles for safety reasons.

[PSD policy J1E](#) – student vehicle use and parking, allows for the following rules and guidelines:

When parking lots are provided on campus, all student-driven vehicles shall be parked in such lots. No vehicles may be driven on school grounds except in designated parking areas. Student-driven vehicles shall remain parked while students are scheduled to be in class. No loitering in parked cars or on school parking lots shall be permitted during the school day. The privilege of bringing a student-operated motor vehicle onto school premises is based upon the condition of consent by the student driver to allow a search of the vehicle when there is reasonable suspicion the search will yield evidence of contraband. Refusal by a student, parent/guardian, or vehicle owner to allow search access to a motor vehicle on school premises when requested shall be cause for termination without further hearing of the privilege of bringing any vehicle onto school premises by said individual. Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs,

Page | 19

explosives, and other contraband. Principals may adopt additional parking and driving regulations as necessary for the proper operation of their schools and programs.

In order to park at TMHS, students must obtain a hang tag. The hang tag is valid for the time they are at TMHS. A \$5.00 replacement fee will be required for additional or lost hangtags. Hang tags are assigned to the students and not to the vehicle and may be transferred to any vehicle the student is driving on campus. Hang tags may not be given to another student to use. Hang tags are to be displayed to be readable through the front windshield.

Driving and parking on campus is a privilege. Students who drive and park their vehicles on campus will adhere to TMHS traffic rules, PSD policies, and State and Federal statutes regarding traffic. Inappropriate behaviors in the parking lot will be addressed by school officials and may result in school community service, booting, loss of driving and parking privileges on school property, tickets from local law enforcement, and/or towing of vehicle at owner's expense. In the event that a driver recklessly endangers self, others, or property, privileges may be automatically suspended or revoked. Violations may be appealed. See the Dean of Students for additional questions.

The following is a partial list of offenses that may result in community service, booting, or loss of parking privileges:

Vehicle Searches

Per the Poudre School District Code of Conduct (JH): Each school retains the authority to patrol its student parking lots, and all vehicles parked in student lots are subject to sniffs by dogs trained to alert at the scent of drugs, explosives and other illegal or unauthorized materials. In addition, the interiors (page 23 Poudre School District Student Rights & Code of Conduct) and trunks of all vehicles parked by students at school may be searched upon reasonable suspicion that they contain items or substances which it is illegal for students to possess and/or items or substances which District policy or regulations prohibit from being on school property. Failure to allow the search of a vehicle's interior or trunk under these circumstances shall result in the student's automatic loss of the privilege of parking at school for at least the remainder of the academic year.

Any item found in the course of a search conducted in accordance with this policy and determined to be evidence of a violation of District policy, school rules, or federal, state or local laws shall be immediately seized and tagged for identification. Such evidence shall be kept in a secure place by the principal or principal's designee. If such evidence is determined to concern a violation of the law, the principal or designee shall promptly contact a law enforcement officer to pick up the evidence. Otherwise, the evidence shall be maintained by the principal or principal's designee until it is no longer needed as evidence in a school disciplinary hearing, at which time it shall be returned to the parent, guardian or legal custodian of the student from whom it was seized.

Police Dogs

Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs, explosives, and other contraband.

Reporting Threats/Inappropriate Conduct

If a student believes that they or others are being threatened or if they have knowledge of the presence of drugs, alcohol, or weapons on campus, they should report this information immediately. Students can share information and concerns with teachers, counselors, administrators, the School Resource Officer, or other school staff. They may also use Safe2Tell, the 24-hour confidential Safe2Tell hotline, either by texting or calling 877-542-SAFE. Student privacy and anonymity will be appropriately protected in all situations where possible.

Skateboards, Bicycles, and Skates

Skateboards, skates, and bicycles may be used to arrive and depart from school. These and other similar equipment must be dismounted when students enter campus to prevent pedestrian accidents or injuries. Participating in tricks, stunts, or jumps while using these items on school property is prohibited. The previous actions are subject to school discipline or tickets by school Security or Police. Skateboards and skates are to be placed in assigned lockers or locked in available racks during school time. Bicycles may be parked and locked only at designated bike racks. Bicycles parked and locked at any other locations may have locks cut and bicycles taken inside for the owner to claim.

Timnath Middle-High School Academic Policies

Academic Eligibility for Clubs/Activities

TMHS is proud to foster an active and vibrant Performing Arts Department, including opportunities in Band, Choir, Orchestra, Drama and Technical Theater. All Performing Arts courses and groups do involve required activities that take place outside the academic school day, including evenings and weekends. Please visit the teacher syllabus or specific course handbook for course grading, attendance and performance policies.

Academic Letters

Timnath High School honors students who commit to accepting personal ownership for their educational plan and who maintain high academic achievement. The Academic Letter symbolizes the outstanding educational improvement, commitment, and development for those distinguished students. Students are recognized in the fall for an academic letter earned in the previous school year.

Qualifications:

- Must be a sophomore, junior, or senior
- Must have at LEAST a 3.5 GPA average for the academic school year
- Must attend Timnath High School for one full semester to be considered for an Academic Letter, if transferring from another school
- Must have a minimum of 95 percent attendance for the academic school year (School excused absences do not count against this percentage)
- Must be a full-time student

Please note: Students are also expected to demonstrate good citizenship daily. Any student that has served a suspension for either of the two qualifying semesters will not be eligible for the letter.

Assessments

The following tests will be administered at TMHS. Fees, if applicable, should be paid to the bookkeeper. Most colleges and universities require students to submit scores from the SAT or ACT exam as part of the college application process. Information about these exams and application forms are available in the College & Career Center.

First Semester

- PSAT/NMSQT Assessment – fee required, recommended for juniors
- NWEA MAPs - grades 6-12

Second Semester

- PSAT9 & PSAT10 - freshman and sophomore students. Test is given in April.
- SAT Assessment – junior students. Test is given in April.
- Advanced Placement Exams – fee required for each test taken. Students taking AP courses who are seeking college credit for these classes must take the AP exams in the spring.
- NWEA MAPs - grades 6-12
- CMAS - grades 6-8, 11

Google Classroom

Many teachers at TMHS use Google Classroom as their learning platforms. TMHS staff can post current class notes, announcements, assignments, and even tests for students to access at any time whether they are at school or at home.

Field Trips

It is the expectation that all students will communicate with teachers before missing any class about making up assignments. Prior to the field trip or out-of-school activity, it is the responsibility of the student to check with his or her teacher.

Field trips may potentially involve risks and responsibilities for your child that are beyond the scope of those normally associated with educational activities at school. Such risks are personal injury and/or damage to personal property. Students attending a field trip are required to fill out a Student Permission Form (provided by the field trip sponsor/teacher). High School students will at times take a field trip that they may be asked to drive or carpool to. In this case the "designated driver" is required to fill out the Volunteer Field Trip Driver Application and provide a copy of their driver's license and current insurance coverage (copies from previous trips are not accepted). To account for all students, passengers are required to be on the list of the appropriate driver. Students 18 years of age or older are still required to provide the Student Permission Form and Volunteer Field Trip Driver Application.

Grading Information

Timnath High School's grading scale is as follows:

Proficiency Score	Academic Achievement	Descriptor
4	Advanced	The student consistently demonstrates an in-depth understanding of the standard/benchmark, exceeding course-level expectations. The student applies and extends the key concepts, processes, and skills. Performance is characterized by high levels of quality and complexity.

Grade Change Policy

Students may retake the same PSD course and be credited with the higher earned grade upon approval from administration and space availability. The original grade will be denoted on the transcript as "repeat forgiven". A student may receive credit for the course only once. After a student has retaken a course, they must complete a grade change form and submit it to his or her counselor to receive administrative approval. Forms are available in the Registrar and Counseling offices.

Registration

Change of Address

To assist TMHS staff in responding to emergencies and to ensure that parents and guardians receive all school mailings, please notify the registrar by calling 970-419-3414 with any changes of address, phone numbers, or email addresses.

Check-in

Prior to the first day of classes in August, all students are required to check in at their designated time. During check-in, students will receive their official schedule, and ID cards. Students will also have their school pictures taken, pay fees, and receive parking permits, etc.

Check-Out

At the end of the school year, students are required to check out of their classes. During checkout students must account for all books, equipment, fines, fees and the condition of their lockers. Students will not be allowed to attend the next term of classes or enroll in another school until checkout is completed. If a student has any unpaid fees, fines or other charges, the school may withhold participation in extracurricular events and graduation ceremonies until those fines and fees have been paid in full. Students may check out or take exams early only with administration approval.

Schedule Changes/Class Drop Policy

Schedule repairs and Add/Drop opportunities are offered to students who have errors on their schedules or reasons for needing to change their classes. Schedule changes are limited to these opportunities each semester. Schedule repairs and Add/Drop are student-initiated processes and conducted within designated times and on a space-available basis.

Reasons that a schedule may need repair include the following:

1. Class on schedule that a student has already passed
2. Scheduled in the same class twice (ex: 2 Chemistry classes)
3. Student is not meeting a graduation requirement (seniors only)
4. Incorrect level placement (teacher approval may be required)
5. Change in 4 year academic plan that impacts college admission – approved on an individual basis.
6. Dropping a class ONLY and not taking another in its place.

All Students must be enrolled full time, meaning students must be taking at least 60 credits per year and 30 per semester.

Adding/Dropping a Class

Students are able to add classes up until each class has had the opportunity to meet twice. Due to the rotating block schedule, the last day to add a class is typically the third day of a marking period. Students may drop a class up until the end of the first full week of school without any record appearing on their transcript. Following that date, students dropping a class will receive a "W" for "Withdraw" on their transcript. Permission will only be granted with administrator, teacher, parent, and counselor approval. After four weeks of the semester, any class dropped will be designated on a transcript with the mark of "WF," or "Withdraw/Fail." A mark of WF factors into one's GPA in the same manner as an "F" and requires student, parent, and counselor or administrator approval.

Student ID Cards

All students are required to have an ID card. Cards are issued at the time the student checks into TMHS. Cards will be collected if a student drops out of school. Students must have ID cards to check out library media materials. This ID will admit students to home athletic contests and some other designated events. The ID may also entitle students to student prices at away events. IDs do not admit students to district, regional, or state competitions, or to invitational or conference tournaments. **Lost or damaged cards will be replaced for a fee. Please see the Registrar for a new ID.**

Student Organizations and Clubs

Students at TMHS are encouraged to participate in co-curricular activities to add yet another positive experience to their high school career. TMHS has a wide range of Student-Initiated Clubs, and School-Sponsored Clubs available for students. Please note that all Board of Education policies regarding student conduct are in effect at any scheduled activity or event regardless of where they are held. Contact the Activities Director in the front office if you have questions.

At Timnath Middle-High School, WE...

**CHEER FOR OUR TEAM,
NOT AGAINST OUR OPPONENT**

WE WILL	&	WE WILL NOT
Use encouraging language to support The Cubs		Use foul language
Respect our opponent		Target players or coaches <i>"Do not use names, numbers or any other identifying characteristics"</i>
Use our voice to encourage & support The Cubs		Use noise makers
Honor our opponent and each other		Boo or Taunt our opponent and each other
Incorporate cheers that encourage & support The Cubs		<p>Use these or other similar cheers:</p> <ul style="list-style-type: none"> • "Start the Bus" • "Left, Right...SIT DOWN" • "Push it, Push it" • "Dumb, deaf...I want to be a ref" • Using the word "sucks" after the introduction of individual players <p><i>"This list is an example of cheers that will not be allowed, but does not include ALL cheers that are unacceptable"</i></p>
Respect our Officials		Harass the Officials
Support CUB values		Throwing items (<i>candy, coins, water bottles, etc.</i>) at coaches, athletes and/or other participants (<i>fans, cheerleaders, band members, officials, etc.</i>)

We encourage a positive and spirited environment conducive to sportsmanship, fair play and a positive environment for our teams, fans, and community at TMHS. Anything negative that goes against the spirit of "Cheering for our team, NOT against our opponent" will not be tolerated.
