Counseling Center Updates - March

Junior Meetings
Class of 2025! Graduation will be here before you know it; it’s time to make sure juniors have the tools and resources necessary to prepare for their future! Every junior will have an individual meeting with their counselor in March - they will be coming home with information to share with you to support their future planning. All junior meeting materials will be posted on our website in mid March. We look forward to supporting them with their next steps!

Looking for summer opportunities?
Many businesses and organizations in Northern Colorado are looking for Timnath students this summer! Whether you are looking for a summer job or internship or just to job shadow for a day, these are great opportunities to dive deeper into an area of interest and gain valuable experience. Visit Xello by logging in with your PSD credentials via Clever or at www.Xello.psdschools.org and click on “Opportunities” on the right hand side. You’ll find everything from Certified Nursing Assistant (CNA) training to Conservation and Trail Building to Escape Room Game Master positions and everything in between. Check it out!

Case Studies Night
Save the Date! ROAR (Regional Officers of Admissions of the Rockies) Case Studies Night & College Fair for PSD Juniors is on April 18th from 6:00-8:00 at TMHS. This event is for parents and students interested in learning about the college admissions process from the perspective of college admissions officers. This is a great opportunity to get a behind the scenes look at the college admissions process to help you navigate the admissions process. Flier to come!

5th & 9th Grade Visit Days
We are looking forward to welcoming our incoming cubs for our upcoming visit days!

We will be hosting 5th graders from Timnath Elementary, Bethke Elementary, and Bamford Elementary on May 10th from 9:30 to 11:00 AM. Look for information from 5th grade teachers and counselors.

We will host incoming 9th graders on May 1st from 9:30 to 11:00 AM. Current PSD 8th graders not attending Timnath Middle School should check with their school’s counselors to determine if buses will be provided or if they will need their own transportation to Timnath High School and to return to their current middle school.

**Year-round Staff Appreciation**

Teachers and school staff are often overburdened with the demands of lesson planning and grading, leaving them with little time to unwind. A comfortable and relaxing space to decompress and recharge is often a much-needed respite. Unfortunately, it falls on them to finance the lounge area with snacks and drinks.

We have created a sign-up genius for these items to last our staff until the end of the year.

**AP Exam Sign Up Information**

Students will need to use two websites to sign up for exams this year.

1. **My AP College Board** [http://myap.collegeboard.org/dashboard](http://myap.collegeboard.org/dashboard) This is the site they will need to input their “join code.” When they first “join” the class through their MyAP account (same as their College Board account in terms of sign in info) it will automatically sign students up to take the AP exam. If you want to opt your student out of the AP exam, please contact your student’s teacher no later than March 1, 2024.

2. **School pay** Please see Kristina Bopary in the main office if you want to pay by cash or check. She can be reached at: kbopray@psdschools.org for more information.

---

**Fees for Exams**

$98 per exam if you sign up before 3/8/24. $138 if you sign up after 3/8/24.

$0 if on free and reduced lunch status (Students will still need to go through both steps above including the payment website for verification of free/reduced status. Also be sure you have filled out the proper paperwork THIS SCHOOL YEAR or we cannot waive the exam fee)

---

**Cancel Fees for Exams**

There is a $40 fee if you cancel your exam after 3/8/23. This means if you paid $98, you will only get back $58.

***If you cancel after May 1, 2024, there are no refunds and you will not get any money back.***

Visiting the Media Center, Front Office, Dearie’s Office, and Counseling Offices:
Students may ask to get tech help, see their counselor, talk to a Dean, or may have various Health Office needs met throughout the year. Students should contact a staff member prior to leaving campus. This will help hold the students accountable for reporting to the appropriate location and will also allow staff to determine their availability for support.

Advertisements, Bulletin Boards, and Posters
Students are allowed to display a maximum of three posters, posters and fliers in designated areas and public bulletin boards after an administrator has approved them. Students who wish to distribute more than 10 copies of non-school materials must notify the principal of their request at least three school days in advance of planned distribution and provide a copy of the materials they wish to distribute to seek approval. No materials shall be placed on car windshields in school parking lots.

Assemblies
Assemblies and pep rallies are provided for the education and entertainment of the student body. Assemblies will be scheduled quarterly or other times designated by administration. Students attending assemblies should take their seats quietly and conduct themselves appropriately and respectfully during presentations and performances. Attendance at assemblies is required unless otherwise posted.

Building Safety and Security
Students are permitted to enter through the Main Entrance only. During arrival, students may also enter the building through the North entrance near bus drop-off. Students are not to prop open exterior doors or open exterior doors for other students.

All visitors to any school must check in at the administrative office immediately upon arrival. Unauthorized visitors will be asked to leave school property and may be cautioned that in the future they may be cited for trespassing. Uncooperative visitors may be referred to the appropriate law enforcement agency by the building administration.

Commons
The TMHS Commons are open for the convenience of students and staff to dine, study, or quietly socialize. Students and staff are responsible for cleaning tables and areas they use prior to leaving. Students are expected to conduct themselves in a safe and respectful manner and are not allowed to sit or put their feet on tables, counters, or backs of chairs. Students who act inappropriately in the commons may be denied the use of the area for periods of time by administration.

Communication
School Website
Students and parents are encouraged to check the TMHS website at http://tmhs.poudre.org for updated information including daily news and announcements. Important news articles and detailed announcements are posted regularly to the Calendar section of the school website. Please check this section regularly to keep informed of what is happening at TMHS.

PSD Communications
PSD will use its emergency notification system. School Messenger, to email parents and send test messages using parent contact information on file in Synergy (the student information system). Using this tool provides many benefits to parents including:

- It is important for students and staff to evacuate the building quickly and immediately, following procedures and posted exit plans. Students and staff are to move quickly and out of the building and to remain in designated locations until permission is given to re-enter the building. Individuals who do not follow a fire alarm will be subject to suspension and/or criminal charges.
- Secure: TMHS may be put in Lockout, now known as “Secure,” when there is police activity in the surrounding neighborhood. When TMHS is placed in Secure, all activity inside the school is “business as usual.” No students or staff are allowed outside of school. All exterior doors are secured and locked.
- Lockdown: a school Lockdown can be initiated for circumstances that would require staff and students to be secured in classrooms. When TMHS is placed in Lockdown, all exterior doors, windows, and access points are closed and locked to secure the area and protect those inside of the building. In addition, staff will secure those students in their classrooms. Lock-down emergency drills will be practiced throughout the school year. Students are required to respond according to administration and staff instructions.
  - During a Secure or Lockdown staff and administration will be focused on the event and keeping staff and students safe. Communication about the incident will be made through the PSD-website, which will have the most current information. TMHS will use school email and/or voicemail to communicate updates as soon as possible. Please avoid calling the school directly during a Secure or Lockdown to allow the office staff to focus on the safety of the student population.
- Hold: a school Hold may be initiated temporarily for designated classrooms or areas of the building where students would need to remain in their classrooms until it is appropriate for them to leave. This is the most commonly used safety or privacy precaution utilized in schools.

Emergency Evacuation Plan
The TMHS campus has a well-developed emergency evacuation plan that is updated annually. The plan includes procedures for emergency evacuation, fire drills, and other emergency situations. All students and staff are required to participate in fire drills and other emergency simulations throughout the school year. The plan is designed to ensure the safety of all students and staff in case of an emergency. The building fire alarm is sounded during fire drills or emergencies.
Guests & Visitors
Please contact our front office before coming in. When adult visitors are welcome, they must check in at the office and wear a visitor sticker/badge while in the building. Visitors will be approved for specific academic or school-related reasons only.

No students from other schools will be permitted to visit TMHS while either their home school or TMHS is in session without prior written permission from an administrator. As a general rule TMHS does not allow students to “shadow.” Access to TMHS students during the school day is allowed only for immediate family members who can verify their relationship with proper identification. Visitors on campus who are not authorized to be on campus may face trespassing charges.

Guests invited to attend Timnath Middle-High School dances or other special events by a Timnath Middle-High student must be approved by administration prior to each scheduled event. Guest forms are available in the Counseling office and need to be returned to the Dean. TMHS students are required to present their current school ID for dance admission.

Students/parents may set up a pre-arranged school tour given by a TMHS Ambassador student after school hours. Please contact Mrs. Vo or Mr. Millenberg 24 hours ahead of time.

Classroom instruction is protected from unnecessary interruptions. Classes may be interrupted only for appropriate or emergency reasons. Students will be called down between periods for messages or items left for them. It is the student’s responsibility to retrieve messages and/or items.

Health Services/Medication
All students are required to provide a certificate of immunization or present a valid exemption. Poudre School District and state law requires all students to be compliant. For complete information regarding these requirements, please contact the School Nurse or Health Technician at 420-3688.

If a student becomes ill or is injured while at school, he or she should report to the office for assistance and evaluation by the nurse or office staff. Students with ongoing health issues should provide a yearly updated health plan to be placed on file in the office. This information will be used to guide school staff if medical intervention is necessary.

Medications: All medications taken at school are to be managed and administered per current district policy. No medications are to be taken on school premises without required parent and health care provider’s signatures. For further information regarding medical services, please contact kwilscamp@fetdschools.org

Lockers
Lockers are assigned to students for the storage of books and personal items. Students may use only one locker and any responsible for general upkeep, as well as any items stored within. Students may be required to share lockers. Students are responsible for any damage to their locker and will be billed for any misuse or abuse. Defacing a locker or displaying offensive or inappropriate material on a locker may result in loss of locker, fines, or other disciplinary actions. The school will not accept responsibility for any items stored in a locker that are stolen or damaged. Students are encouraged not to store money or valuable lockers in their lockers. Students may not use personal locks on hallway lockers. Personal locks placed on hallway lockers will be removed and administered. All lockers must be cleaned out by the last day of school. Students will be billed for any required cleaning.

According to district policy, school lockers are the property of Poudre School District and at all times are under the control and supervision of school administration. Lockers and their contents may be searched and examined at any time by the Principal or Principal Designee. Similarly, at the school’s request, trained search dogs may be brought in unscheduled to search school grounds and locker areas. Inappropriate and/or dangerous items found in lockers may be seized during searches by staff or administration.

Lost and Found
The lost and found area for common items is located on the south end of the Commons just north of the main office. Any electronic items are securely kept behind the receptionist desk in the main office. Other larger items may be kept in the official(s) of the Campus Security Officer’s or the School Resource Officer’s. All lost and found items are disposed of regularly.

Media Center
The Media Center is open Monday through Friday, 8:30 – 8:30. It is available to students before and after school, at lunch, and for drop-in use during off-periods.

The Media Center is where our Technology Managers are located and where students can receive help with their school laptops.

The Media Center houses a diverse collection of non-fiction and reference books, classic and contemporary fiction, bestsellers, graphic novels, foreign language books, and audio and e-books. The Media Center also provides a number of online databases with access to full-text magazine and journal articles, reference works, viewpoint essays, primary sources newspapers, radio and TV transcripts and multimedia. These databases can be freely accessed within the school building. For a list of databases and any necessary password information to access them, please contact brit@fetdschools.org.

Students can print school-related documents in the media center; in black and white. There is no charge for black and white prints. The media center features a few desktop computers, and laptop charging stations available for students to use on a drop-in basis. Internet access is provided for educational purposes.

Book Drop-Off Points: There are two places to return books: in the drop box in the Media Center hallway (at any time) and in the slot at the circulation desk when the media center is open.

Checkout Policies:
Students must have their student ID to check out books and materials.

- Pre-arranged absences approved by administration for family activities, appointments, or circumstances that cannot be taken care of outside of school hours.
- Absences to attend school-sponsored activities approved by administration. Restorative Practices and Attendance

Per the Poudre School District Code of Conduct (LP):
Each school retains the authority to patrol its student parking lots, and all vehicles parked in student lots are subject to searches by dogs trained to alert at the scent of drugs, explosives and other illegal or unauthorized materials. In addition, the interiors (page 23 Poudre School District Student Rights & Code of Conduct) and trunks of all vehicles parked by students at school may be searched. Students are required to consent if they contain items or substances which it is illegal for students to possess and/or items or substances which District policy or regulations prohibit from being on school property. Failure to allow the search of a vehicle’s interior or trunk under these circumstances shall result in the student’s automatic loss of the privilege of parking at school for at least the remainder of the academic year.

Any item found in the course of a search conducted in accordance with this policy and determined to be evidence of a violation of District policy, school rules, or federal, state or local laws shall be immediately seized and tagged for identification. Such evidence shall be kept in a secure place by the principal or principal’s designee. If such evidence is determined to concern a violation of the law, the principal or designee shall promptly contact a law enforcement officer to pick up the evidence. Otherwise, the evidence shall be maintained by the principal or principal’s designee until it is no longer needed as evidence in a school disciplinary hearing, at which time it shall be returned to the parent, guardian or legal custodian of the student from whom it was seized.

Police Dogs
Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs, explosives, and other contraband.

Reporting Threats/Inappropriate Conduct
If a student believes that they or others are being threatened or if they have knowledge of the presence of drugs, alcohol, or weapons on campus, they should report this information immediately. Students can share information and concerns with teachers, counselors, administrators, the School Resource Officer, or other school staff. They may also use Safes2Tell, the 24-hour confidential Safes2Tell hotline, either by texting or calling 877-542-SAFTE. Student privacy and anonymity will be appropriately protected in all situations where possible.

Skateboards, Bicycles, and Skates
Skateboards, skates, and bicycles may be used to arrive and depart from school. These and other similar equipment must be dismounted when students enter campus to prevent pedestrian accidents or injuries. Participating in tricks, stunts, or jumps while using these items on school property is prohibited. The previous actions are subject to school discipline or tickets by school Security or Police. Skateboards and skates are to be placed in assigned lockers or locked in available racks during school time. Bicycles may be parked and locked only at designated bike racks. Bicycles parked and locked at any other locations may have locks cut and bicycles taken inside for the owner to claim.

Field Trips
It is the expectation that all students will communicate with teachers before missing any class about making up assignments. Prior to the field trip or out-of-school activity, it is the responsibility of the student to check with his or her teacher.

Field trips may potentially involve risks and responsibilities for your child that are beyond the scope of those normally associated with educational activities at school. Such risks are personal injury and/or damage to personal property. Students attending a field trip are required to fill out a Student Permission Form (provided by the field trip sponsor/teacher). High School students will at times take a field trip that they may be asked to drive or carpool to. In this case the “designated driver” is required to fill out the Volunteer Field Trip Driver Application and provide a copy of their driver’s license and current insurance coverage (copies from previous trips are not accepted). To account for all students, participants are required to be on the list of the appropriate driver. Students 18 years of age or older are still required to provide the Student Permission Form and Volunteer Field Trip Driver Application.

Reasons that a schedule may need repair include the following:
1. Class on schedule to have a class twice (see 2 Chemistry classes)
2. Student is not meeting a graduation requirement (seniors only)
3. Incorrect level placement (teacher approval may be required)
4. Change in 4 year academic plan that impacts college admission – approved on an individual basis.
5. Dropping a class ONLY and not taking another in its place.

Dropping a class ONLY and not taking another in its place.

All Students must be enrolled full time, meaning students must be taking at least 6 credits per year and 30 per semester.

Add/Dropping a Class

Students are able to add classes up until each class has had the opportunity to meet twice. Due to the rotating block schedule, the last day to add a class is typically the third day of a marking period. Students may drop a class up until the end of the first full week of school without any record appearing on their transcript. Following that date, students dropping a class will receive a "W" for "Withdrawn on their transcript. Permission will only be granted with administrator, teacher, parent, and counselor approval. After four weeks of the semester, any class dropped will be designated on the transcript with the mark of "WRT" or "Withdrawn Fail." A mark of "WRT" factors into one's GPA in the same manner as an "F" and requires student, parent, and counselor or administrator approval.

Student ID Cards

All students are required to have an ID card. Cards are issued at the time the student checks into TMHS. Cards will be collected if a student drops out of school. Students must have ID cards to check out library media materials. This ID will admit students to home athletic contests and some other designated events. The ID may also entitle students to student prices at away events. IDs do not admit students to district, regional, or state competitions, or to invitational or conference tournaments. Lost or damaged cards will be replaced for a fee.

Please see the Registrar for a new ID.
