### ATTENDANCE

Due to the growing number of students and increased phone calls, we have implemented a phone "tree" system

When you call our main line, 419-3400, you will be prompted to the following:

\* The Attendance line is for reporting an absence: illness, appointments or early dismissals. This can also be done in **ParentVue**.

We would prefer you to call the attendance line in the morning to request an early dismissal for your student. Early release passes are distributed during the first period of the day. If your student needs to be checked out last-minute (no later than 3:45), please press 7, which is the Main Office line.

For last-minute dismissals throughout the day, please be sure to check your students' schedule as it is difficult to find students when they are on their lunch break.

## METAL FABRICATION & CONSTRUCTION

Do you have leftover materials from a recent home renovation, repair, or building project that are just taking up space in your garage or basement? If so, your excess materials could become resources for our students' projects.

We are always looking for windows, vinyl flooring/tile, PVC and copper pipe, construction lumber, steel and aluminum. Contact Kev Murray at [kemurray@psdschools.org](mailto:kemurray@psdschools.org) or by phone at 970-419-3463 to discuss. Pick up is available.

**EARN \$25 FOR YOUR SCHOOL**

## CAPS 4 CASH

Morning Fresh will then give your school \$0.05 for every MFD glass milk bottle cap redeemed.

### How do you help your school earn money?

2. Drink your milk
3. Save your bottle caps
4. Collect caps from family and friends

## COUNSELING

### Freshman Seminar Post-Secondary Projects

As the semester wraps up, our 9th graders in Freshman Seminar are completing their *Post-Secondary Presentation Project*—a key part of their ICAP (Individual Career and Academic Plan). Through this project, students explored a career field of interest, researched college and training pathways, and reflected on how their high school experiences can prepare them for future success. Each student will create and share a short presentation highlighting career details, education requirements, salary outlook, and personal goals.

### 10th Grade ICAP: Skills Lab in Xello

This month, our counseling team is visiting all 10th grade Cub Connect classes to guide sophomores through the Skills Lab in Xello. This activity helps students identify their strengths and explore careers that align with their unique skills and interests. Completing this component of their ICAP supports students in planning thoughtful and personalized pathways for their future. We're proud of our Cubs for taking this important step in their college and career readiness!

## COUNSELING

### Family Support and Assistance

In the spirit of gratitude, family, and supporting our most vulnerable students during this time, we'd like to invite you to help care for our Cubs if you're able. Students identified as facing housing insecurity or poverty face great challenges when it comes to ensuring their basic needs are met as they pursue their education. Please see below for various options on how you and your family can help bring some comfort and joy to TMHS families in need this winter.

Sign up to Adopt-A-Family this December - provide holiday gifts according to a wishlist for our McKinney-Vento families.

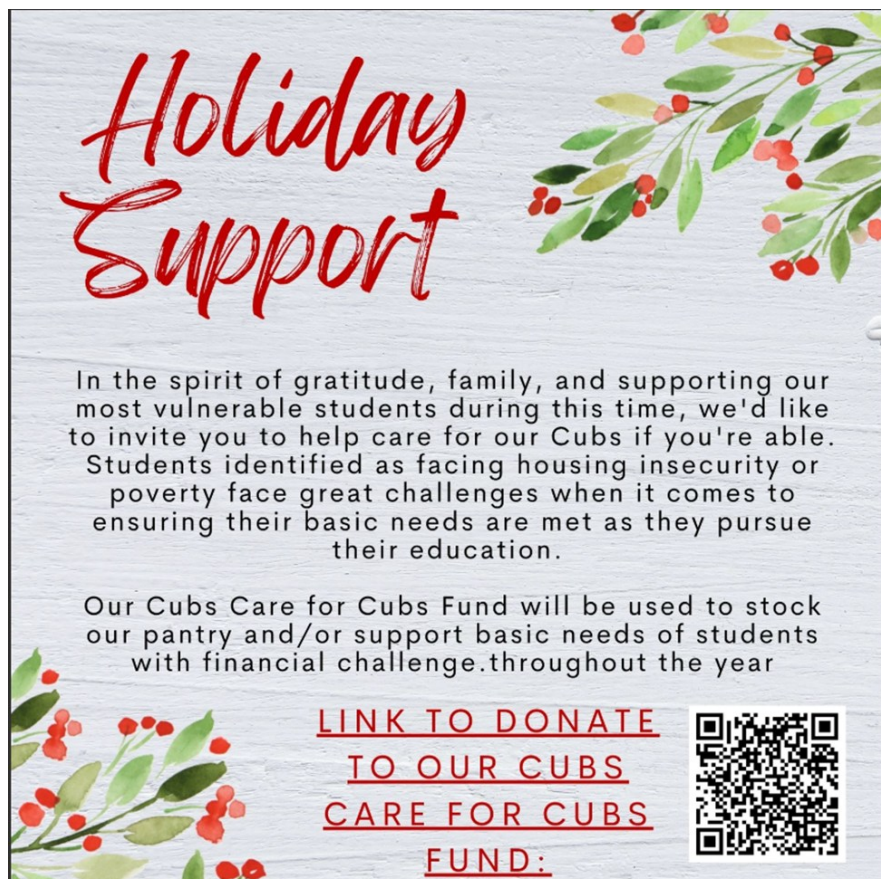

Help stock a clothing/household goods closet that students/families can access at TMHS.

Donate via SchoolPay to our Cubs Care For Cubs fund - funds in this account will be used to stock our pantry and/or support basic needs of students in poverty.

We'd love to ensure that all of our McKinney Vento students, as well as those facing poverty, receive a little extra support and care this holiday season. If you'd like to sign up to support these efforts, please sign up at this link and we will follow up with you in the coming weeks.

If you or a TMHS family you know needs holiday help and/or resources, please reach out to Christina Bagley, one of our McKinney Vento liaisons, at [cbagley@psdschools.org](mailto:cbagley@psdschools.org) as soon as possible.

Thank you so much for your support - we look forward to continuing to build a community where our Cubs take care of one another.
