ATTENDANCE

Due to the growing number of students and increased phone calls, we have implemented a phone "tree" system

When you call our main line, 419-3400, you will be prompted to the following:

* The Attendance line is for reporting an absence: illness, appointments or early dismissals. This can also be done in **ParentVue**.

We would prefer you to call the attendance line in the morning to request an early dismissal for your student. Early release passes are distributed during the first period of the day. If your student needs to be checked out last-minute (no later than 3:45), please press 7, which is the Main Office line.

For last-minute dismissals throughout the day, please be sure to check your students' schedule as it is difficult to find students when they are on their lunch break.

Is it just a phase?

COUNSELING

2026-2027 Registration

High school course registration for the 2026-27 school year is almost complete! Counselors presented to all current 8th grade students January 20/21st, and all current 8th, 9th, 10th, and 11th graders had the opportunity to learn more about classes offered next year at our first Registration Fair! Students watched presentations from counselors, then attended the fair to connect with teachers and learn more about pathways opportunities that are offered for next year. Registration materials (video presentations, course selection sheets, next year's curriculum guide, and a video on how to select courses in StudentVUE) are available on our [counseling website](#). Students and parents can also see submitted course requests via "Course Plan" on StudentVue.

Junior Meetings

Following the conclusion of the registration process, juniors will be meeting one on one with their counselors this spring to review post-secondary plans and resources. During these conversations, juniors will have an opportunity to share their current thoughts and wishes for after high school and counselors will provide information and support in their pursuit of these goals, including information on the college research and application process with important next steps to take over coming months, as well as information on college costs, financial aid, and scholarship opportunities.

Middle School Counseling

2026-2027 Registration

Middle School Counselors presented Middle School Registration Presentations to all current 6th and 7th grade students for the 2026-2027 school year the week of January 26th!

If students have questions they are encouraged to reach out to their counselor, we are happy to answer any questions! All registration information can be found [here](#).
