## ATTENDANCE

Due to the growing number of students and increased phone calls, we have implemented a phone "tree" system to better serve our TMHS community.

When you call our main line, 419-3400, you will be prompted to the following:

\* The Attendance line is for reporting an absence: illness, appointments or early dismissals. This can also be done in **ParentVue**.

We would prefer you to call the attendance line in the morning to request an early dismissal for your student. Early release passes are distributed during the first period of the day. If your student needs to be checked out last-minute (no later than 3:45), please press 7, which is the Main Office line.

For last-minute dismissals throughout the day, please be sure to check your students' schedule as it is difficult to find students when they are on their lunch break.
